

Educational Research By School Staff Here

Committee To Study Methods Of Solving Instruction Problems

Plans for educational research within the Granite City school district were outlined to the school board Tuesday night by Supt. Harold M. Kaiser, who said it is believed this will meet the district's research needs without adding to its administrative staff.

Selected principals and teachers are to serve voluntarily on a committee to explore general educational problems and specific instances which can be remedied by improved techniques and planning. The program is to be launched in the 1961-62 school year.

Dr. Kaiser said the plan is an outgrowth of a general trend toward greater educational research, and of a reporting system initiated last spring for principals and high school department heads.

The first of yearly progress reports by the principals and department heads, reviewed by the school board Tuesday night, showed educational areas in which most progress has been made, accomplishments during the school year, areas appearing to need more emphasis and curriculum studies response.

Good Response
Recommendations by school inspectors for a research administrator have been discussed in the past by the board, which followed the suggestion of Dr. Kaiser that the staff should not be expanded further due to the other financial needs of the district. The new research plan may provide a solution, and the response has been good from staff members, the superintendent told the board Tuesday.

Research again was stressed as an American Association of School Administrators meeting in St. Louis this week, Dr. Kaiser said.

"Research of a general nature often is difficult to relate to local school conditions. We feel we have principals and teachers with the ability and educational training to participate," Dr. Kaiser said, noting that they already are familiar with the district. He said research by educational groups and other school districts also will be considered in formulating recommendations for future procedural changes.

Another progress report is underway this year and should provide a sound basis for research. Starting next year, a committee of principals and teachers will review work done

Trustee Filing Period To Close On Saturday

A second set of petitions was issued this week for the township school trustee election in the former Nameoki township area. The Nameoki trustee board appoints the school treasurer for the Granite City community school district, and the trustee filing period will end at noon Saturday at the office of Treasurer Henry Luaders, 1930 Edison avenue.

A man identified as Carl Weiss was the recipient of petitions this week. Only candidate who has filed is Arthur Roman, 4001 Route One. The term of George Hughes is expiring. The election will be April 8.

Franklin Union Furniture Co. Leases GC Building

Franklin Union Furniture Co. this week leased the four-story building on the southwest corner, 19th street and Delmar avenue, and after extensive remodeling and renovation plans to open a furniture store there in June.

Ben Schapiro, vice-president of the company, which has headquarters in St. Louis and operates four stores in Illinois and Missouri, said today that a contract has been signed with Tom Studebaker Construction Co. and an \$80,000 remodeling project is to start immediately.

The long-vacant building is to be air-conditioned on all four floors building a new modern passenger elevator is to be installed. The remodeling calls for construction, painting, removal of partitions on the second floor, modernization of rest rooms and complete revamping of electrical and heating systems.

New Store Front
A new front is to be installed on the exterior of the building, and the front display window along Delmar avenue is to be extended and heavily double in size.

Franklin Union, which has headquarters at 11th street and Franklin avenue, also has stores at Alton, East St. Louis and Belleville. It has signed a long-term lease with the Real Estate Co. for the local building, which contains 25,000 to 30,000 square feet. It is one of the larger buildings in downtown Granite City.

The building contains complete lines of home furnishings and appliances will be carried with styles ranging from modern to period, including early American, Danish and French Provincial.

Established in 1898
Franklin Union was established in 1898 and the present officers are M. B. Lasky, chairman of the board; Sidney Jacobson, president and Schapiro, vice-president.

The officers said their plans are for a grand opening event in June to display to Quad-City residents "the largest selection of home furnishings under one roof."

The building formerly was occupied by Fredman Bros. Furniture Store, now at Nidringhaus and Delmar avenues.

Fluoridation Issue— Confidence Vs. Fear

(First of a series on water fluoridation, which will be the subject of an advisory election—not binding on the city council—in Granite City April 4.)

(Of approximately 20 communities served by the East St. Louis and Interurban Water Co., action is still required in Granite City, Belleville and Swansea before fluoridation could begin.)

(Speakers on fluoridation may be obtained from the Tri-City Dental Society by calling the office of Dr. Vaal Vassiloff, president, T.D.S., 6-5472. If opponents of fluoridation wish to offer the same service to organizations, this also will be publicized.)

"Witches" were made to suffer and die in the United States and elsewhere as late as two centuries ago. Finally reason and knowledge replaced ignorance and fear, and the practice was halted.

County Juvenile Home Bids Sought

Board Increases Pay For County Highway Supt. To \$16,500

Unanimous approval was given by the county board of supervisors yesterday of a resolution to call for bids for construction of a proposed county juvenile shelter, and in a separate resolution designated the name as the "Haller House," in honor of veteran board Chairman Gus Haller.

In other action, the board, meeting in Edwardsville, reappointed Harry A. Kluge of Collinsville as county highway superintendent for a six-year term—his fifth in that office.

Plans and specifications for the juvenile home, estimated to cost \$200,000, were approved by the board as offered by William B. Webb Jr., Granite City assistant supervisor and chairman of the board's design committee.

The shelter, to be located on the grounds at the Madison County Tuberculosis Sanatorium at Edwardsville, is to be financed with the county's half-cent sales tax, 60% of which is designated for the building. The surplus fund now has a balance of about \$100,000.

Salary From MET
The resolution increasing Kluge's salary specifies the cost of the county motor fuel tax.

Some protest to the increase was voiced. The \$16,500 figure includes \$500 for travel.

The building formerly was occupied by Fredman Bros. Furniture Store, now at Nidringhaus and Delmar avenues.

Kraynak said about \$100,000 could be invested from each of three sources—the detention home sales tax fund, county officers' idle funds in special interest-bearing accounts.

Kraynak said about \$100,000 could be invested from each of three sources—the detention home sales tax fund, county officers' idle funds in special interest-bearing accounts.

He noted that 3% interest would net the county \$9000.

Sperradio, who lives at 135 Briarcliff, told county authorities he was looking for a sign yet he had dropped while driving over the crossing off State Route 3 and did not see the impact of the Wabash "Bluebird" locomotive sent the auto about 100 feet down the tracks.

County night riders said the train conductor, C. A. Randolph, pulled the emergency cord when the accident occurred.

Sperradio was alone in the car at the time.

School Filing To End
Saturday; 10 Petitions

With the filing period for the April 8 Granite City school board election scheduled to end at noon Saturday at the board office, 2014 State street, a tenth set of petitions was issued Tuesday.

The petitions, which will include the names of candidates for the two three-year positions to be filled, they are Secretary Howard W. Kaseberg, Pontoon Beach, and Glenn C. Abernethy, 2847 Grand avenue, both incumbents; and George J. Stibham, 153 Troveller lane, Mitchell.

Others obtaining petitions from the board office have been S. P. Dronowicz, three sets; an unidentified man, two sets; and Hubert Hall, one set of petitions.

Campaign Peril Noted Last Night

Police cars were dispatched to the 2500 block of Pontoon road about 7:15 last night on reports that a "suspicious character" was in the neighborhood.

The investigating officers reported the man was going street-to-door distributing campaign cards.

The name of the candidate was not listed in the report.

2 Youths Admit 2 Break-Ins Last Week In GC

Two teenage youths, taken into custody Tuesday, admitted to Granite City police they had entered the Wabash Tavern and Branding's Service Station, both on Nidringhaus avenue at the railroad crossing last Thursday night.

One of about eight bottles of whiskey, taken from the tavern, was recovered.

Burglary charges were filed yesterday by Chief of Detectives James R. Lower against Donald Carney, 19, of 2435 Logan street, and Luther Maxwell, 17, of 2114 19th Delmar avenue. They waived preliminary hearings before Police Magistrate Casparovic and bonds were set at \$1000.

Written Statements
In written statements, the boys admitted both break-ins, saying they used rocks to smash windows.

The tavern, which was entered first at about 10:30 p.m. through a rear window and three bottles of trading stamps were taken, later cashed at another service station for \$6.75.

The tavern was closed due to the proprietor's illness when a front window was smashed to gain entrance. The pair helped themselves to eight or ten bottles of whiskey off the bar.

Carney said some of the whiskey was drunk and other bottles were given away.

Man Jumps To Safety Before Train Hits Car

A leap from his auto saved Neil L. Sperradio, 22, from serious injury about 9:30 p.m. Monday when his car was knocked about 100 feet off the Marvill road rail crossing by a Wabash passenger train.

Sperradio, who lives at 135 Briarcliff, told county authorities he was looking for a sign yet he had dropped while driving over the crossing off State Route 3 and did not see the impact of the Wabash "Bluebird" locomotive sent the auto about 100 feet down the tracks.

Son, Daughter Of Couple In Minor Mishaps

A son and a daughter of Mr. and Mrs. Fred Garner, 2201 Glenview, were taken to separate accidents at home Tuesday. Both were treated and released from St. Elizabeth Hospital.

Kevin Garner, 5, was taken to the hospital after a Christmas tree light bulb exploded in his face while he was attempting to adjust the light. A Christmas ornament of the bulb lodged in his eye and was removed.

Leahy Garner, 4, suffered a cut on her scalp when her bicycle overturned on the sidewalk. Three stitches were taken to close the wound.

GC Council Meeting Set Saturday On Election

A special meeting of the Granite City council will be held at 10 a.m. Saturday to approve selection of polling places for the April 4 city-township election.

City Clerk A. L. Stevens said the listing of the polling places will be completed before the special session.

NEW BEVERAGE PLANT going into operation here includes an ultra-modern electrically-operated canning line. Among the equipment is this case packing mechanism, shown being given a final check Tuesday by O. C. Perry (left) and Orville Fretzel (right). Perry is here temporarily from the Royal Crown Cola Company's headquarters in Columbus, Ga., serving as engineer in charge of equipment installation.

Concordia Church Awards \$215,000 Building Contract

Concordia Lutheran Church members accepted Tuesday night the building committee's recommendation to engage G. H. Sternberg & Co. to begin a \$215,000 construction and renovation project on the property at 23rd street and Grand avenue.

With new furniture and work on the exterior of the church building, the total cost is expected to be \$215,000.

The plans call for a two-floor brick educational wing structure separated from the present church by a 500-ft.-wide courtyard project on the property at 23rd street and Grand avenue.

The new facilities and renovation of the church basement will provide 27 Sunday school classrooms.

The present 50-year-old building next to the church and currently used for church offices and Sunday school classrooms will be torn down shortly after Easter to make way for the new construction. This building was originally erected by St. Peter's church by a 500-ft.-wide courtyard project on the property at 23rd street and Grand avenue.

Bids Being Sought For Local War Memorial Fountain

A bid opening is scheduled March 31 for the proposed Granite City war memorial fountain to be located in Memorial Park at Nidringhaus and Madison avenues. It was announced this week by Wm. Milton Worthen, president of the War Memorial Committee.

Contractors may obtain copies of the plans from the office of Gabriel & Dulgeroff & Associates, architects, 1509 Twenty-third street, after noon tomorrow.

The bid opening is set for 4 p.m. on Friday, March 31, at the architects' office.

The fountain, 25 feet in diameter, will be built in the triangular-shaped park across from St. Elizabeth Hospital. It will feature a 16-foot automatic spray and at night will be illuminated with concealed revolving lights of five colors. A memorial plaque will be placed on the fountain.

In addition to the fountain, the park board, of which Worthen is vice-president, plans to install new walks and landscape the park with shrubs, trees and an arbor.

The fountain is to be constructed with funds in a special Granite City War Memorial fund. The committee was formed in 1946 to select a suitable memorial.

New Water Pump, Record Box Taken In Area Burglaries

Six thefts and one attempted break-in were reported to police this week in the Quad-City area.

Thieves made off with four whitewall tires and wheels, a 300-pound record box containing valuable records was reported stolen; and a new water pump valued at \$350, purchased this week by a construction firm, was reported stolen from a construction site.

A 2½ horsepower water pump, purchased Monday by the A. H. Seebold Truck and Excavating Co., 2301 Adams street, was reported stolen last night from Adams street, police reported.

The pump, valued at \$350, was rented to the Gunite Concrete Co., Madison avenue, Tuesday night. It was reported to Granite City police.

The wheels, two maroon and two blue, were taken from 1961 cars, and were valued at \$268. A similar theft occurred two weeks ago, when all wheels were taken off a 1961 model at the lot.

Used Radio Stolen
A burglar smashed a rear door glass to gain entrance at Herschel's TV Shop, 938½ Nidringhaus avenue, and stole a small, used transistor radio in a white case.

The theft was reported about 9 p.m. Monday to police by the proprietor, Herschel Conner, 2817 Elmwood street, who said nothing was taken.

Thief of two special, extra-large hubcaps off his auto while it was parked on a Granite City street, was reported Tuesday morning to Granite City police by Larry Nierpert, 2451 Washington avenue.

Elmer Richmond, 2018 Missouri avenue, reported to Granite City yesterday afternoon that a lock on his garage door had been broken and the building was broken into.

The glove compartment of his auto was ransacked and the gas pump cap was removed and thrown to the ground. He said nothing was missing.

An attempt to enter Western Auto Supply store, 1421 Twenty-third street, occurred between 6 and 10 p.m. Tuesday, when a burglar damaged the front door handle and lock. The attempted break-in was reported to police by Lloyd Tatum, proprietor.

The fountain is to be constructed with funds in a special Granite City War Memorial fund. The committee was formed in 1946 to select a suitable memorial.

In addition to the fountain, the park board, of which Worthen is vice-president, plans to install new walks and landscape the park with shrubs, trees and an arbor.

R-C Cola New Plant Going Into Operation

Line To Produce Over
600 Filled Cans Each
Minute At New Facility

The most modern carbonated beverage plant of its type in the United States is being put into final testing and initial operation this week. Located on Route 67a south of the A. O. Smith Corp. plant, it is owned by the Royal Crown Cola Co., which has national headquarters in Columbus, Ga.

The canning operation, currently being inaugurated in "foot-proof" electrical-operated equipment along each phase of the production, from routing of empty cans on to an assembly line all the way to placing of filled cans into the final cartons. Over 600 cans are to be filled each minute.

Technicians were busy at the plant early this week making final tests on the canning line and cans were filled with water as a final part of the preparation. Specially-colored cans are arriving at the new local industry along with new materials for the beverages, and the initial feeding of cans through the high-speed line took place this week.

Attention is being concentrated at present on the canning operation, one of ten established by the Royal Crown Cola firm.

Second Phase In May
Manufacture of flavor ingredients—the local plant is only the firm's second manufacturing center for this purpose—is expected to be in progress in May.

While the canning process will be high-speed, quality control will be a steady, frequent and regular sampling of the products, Raburn Phillips, manager, explained this week. Occasional jamming of the line is anticipated, but in all cases the equipment has been designed to halt automatically and then resume immediately when the jam is cleared.

The plant will manufacture flavor concentrate and ship it in drums to the local bottlers in the western two-thirds of the United States. The operation, which started this week, involves filling of 12-ounce "throw-away" cans for a smaller territory of the Midwest.

Products to be prepared here are Royal Crown Cola, Nehi Orange, Nehi Root Beer, Nehi Cherry, and Nehi Ginger Ale.

Madison, Venice School Members Unopposed

With just two days remaining before the filing period ends, potential candidates for positions on the Madison and Venice school boards are being urged to file their names before the deadline.

Other than incumbent board members have submitted petitions for the school board elections, which are scheduled for Saturday, April 8, in both school districts.

Incumbents who have filed for re-election in Madison include Board President John Bell, Secretary Henry Baum and member Chester McManaway, all seeking three-year terms; and Frank Derringer, seeking a one-year term to complete the unexpired term of the late Elmer Bell.

Venice school board incumbents who have filed are members Thomas Foley and Leo Davinroy. Both seek additional three-year terms. Two separate sets of petitions have been circulated by possible opponents to Foley and Davinroy, but have not yet been filed.

Dance Quartet To Close Local Concert Season

A program of original dances in contrasting styles from the baroque through modern periods will be presented by the Rod Heng Dance Quartet at the Granite City high school auditorium Saturday evening.

The appearance of the dancers is sponsored by the Tri-City Community Concert Association, and is the final program in the association's current series.

Leading dancer Strong will appear with three female dancers and a piano accompanist. The program begins at 8 p.m.

\$146,000 County Sales Tax Income For Year of 1960

County sales taxes for the first full calendar year produced \$146,613 for the Madison county treasury, the Illinois Department of Revenue has announced. In effect since Oct. 1, 1959, the half-cent levy has amounted to \$176,172 through December 1960, including \$28,538 during the three-month period in 1949. Of the \$176,172, sixty per cent or \$105,703 has been earmarked for construction of a county juvenile home. The remaining \$70,469 is to be divided between remodeling of the county courthouse and repair of the county jail.

Under the 60% and 40% divisions, these accounts will continue to grow until the projects are carried out and new purposes are designated. Proceeds come from the extra half-cent on the three-cent state sales tax in unincorporated areas.

Increase Over 1959

The latest monthly listing of \$13,264 for December 1960 compares with \$9,460 in December 1959. The November and October totals also showed increases between 1959 and 1960.

Of the 102 counties in Illinois, Madison county is one of 53 levying the tax on retail sales. Statewide, the county taxes grossed \$307,088 on December liability, with \$19,425 retained by the state and a net amount of \$288,663 certified for forwarding to the county. The state receives 6% to offset administrative costs.

To date, 1121 Illinois municipalities and 56 counties have adopted the half-cent sales tax.

County Farm Group In National Defense Plan

A Madison County Emergency Planning Committee has been organized by the U. S. Department of Agriculture as part of the national plan for civil defense and defense mobilization. Committee members are employees of various federal agricultural agencies.

Farm Adviser Truman W. May has been named chairman of the committee. Other committee members are Anton Salvetti, county soil conservationist, U.S. Soil Conservation Service, deputy chairman, and Earl P. Reid, manager of the county Agricultural Stabilization and Conservation office, secretary.

The committee will function under the direction of the U. S. Department of Agriculture, state and national emergency planning committees to carry out necessary planning to meet food needs in national emergencies. Under the national plan for civil defense and defense mobilization, the U. S. Department of Agriculture is responsible for production, processing, storage and distribution of food; preventing and controlling rural fires; protecting livestock and crops against biological and chemical warfare; and protecting soil and water resources against radioactive fallout.

The organization of county emergency planning committees is not intended to alarm people unnecessarily. But rather it is now part of the regular work of various agricultural agencies to have a "built-in readiness" should any emergency arise.

W. H. Bolin, Former Resident, Dies In West

William H. Bolin, 56, a former resident of Granite City, died Monday at St. Mary's Hospital, Tucson, Ariz., of a respiratory ailment. He had been ill for two years and had entered the hospital a week ago.

He and his wife, Edna, who survives, had gone to Tucson a year ago to make their home due to his illness. Mr. Bolin had been employed as a truck driver with the Watson Bros. Trucking Co. of St. Louis for five years prior to becoming ill. Previously, he had owned and operated a truck in Granite City and St. Louis. He was a resident here for 10 years and was born in the state of Washington.

Surviving besides his wife are two sons, Robert of St. Louis and Royce Bolin of Lewisburg, Pa.; a sister, Mrs. Mildred Kubisch, East St. Louis; and four grandchildren.

His remains have been brought from Tucson to a Granite City funeral home. Funeral arrangements are given in the obituary column.

Governor Signs Port Fund Bill

(Special from Springfield)
Gov. Otto Kerner yesterday signed House Bill 148, sponsored by Rep. Lloyd "Curly" Harris (D), of Granite City, for an emergency appropriation of \$18,000 for the Tri-City Regional Port District.
The bill had been passed 56-0 Tuesday by the Senate.
The money is to be made available immediately to the local port authority which virtually has exhausted an earlier appropriation. An issuance of revenue bonds for development of a port on the Chain of Rocks canal is expected to be completed within a short time.
House approval of the bill was made several weeks ago.

Club Plans Charitable Benefit Dances

Plans to sponsor six dances each year, with proceeds to benefit various local charitable organizations, were discussed during a regular meeting of the Quad-City "21" Club Tuesday evening at the Sportsman's Club in Madison.
Presiding at the meeting was Club President William Andre. A financial report was submitted by Tony Etk, treasurer of the social organization.

Select Name For Son

Jeff Allen is the name selected by Mr. and Mrs. Jerry W. McPherson, 2580 Boyle avenue, for their son born March 10 at St. Joseph's Hospital in Alton. The new arrival weighed six pounds, 14 ounces.

City Sales Taxes Reach New High of \$264,000 In 1960

City sales taxes set a new one-year mark of \$264,367 in the Quad-City area during 1960, the Illinois Department of Revenue records showed today.
Previous high was \$251,315 in 1959, recorded in the 1959-60 period for 11 months of 1959, and \$224,207 in 1957 and \$191,201 for 11 months of 1956, the grand total is \$1,152,000. The half-cent sales levy went into effect locally Feb. 1, 1956.
\$264,367 For Granite City
Of the \$1,152,000 returned from the Springfield collection point for local city treasuries in the five-year period (four years and 11 months), Granite City has netted \$306,984, Madison \$186,686 and Venice \$58,778.
The \$264,367 figure for the latest calendar year includes a record \$213,447 for Granite City, \$33,133 for Madison and \$11,787 for Venice.
The American Legion's anniversary dinner and dance, \$40,135 for Madison, set in 1959, and \$12,081 for Venice, also set in 1959. The 1959 Grand total of \$1,152,000 recorded in the previous year.

Legion To Observe Anniversary Saturday

Members of Tri-City American Legion Post 113 will celebrate the American Legion's anniversary Saturday night at the post home with a corned beef and cabbage dinner and dance. Arrangements for the event are being completed by a committee headed by Junior Vice-Commander Joseph Summers.
During Tuesday's post meeting, the membership voting to continue sponsorship of the Junior American Legion baseball team together with Mathews Chevrolet Co. and to continue the program of awarding nursing school scholarships to worthy applicants.
The membership also voted a donation of \$150 to the local Heart Fund drive. Thirty-five attended, and refreshments were served following the business meeting.

State Job Interviews Set For March 21 At Alton

Representatives of the Illinois State Department of Personnel will be in Alton Tuesday, March 21, to interview and examine applicants for state merit examinations. State Director of Personnel Maude Myers announced today.

There will be various examinations available in the institutional, professional and technical fields. Some of these examinations require no previous experience.

The state merit examinations include such diversified fields as: clerk stenographer, cottage parent, elementary teacher, guard, laboratory technician, practical and registered nurses, social worker, U. C. deputy, unit service supervisor, x-ray and radio operator technicians.
The representatives will be available to interview and examine applicants from 9 a.m. to 2 p.m. at 67 Henry street, Alton, on March 21.

5 Local Area Youths To Be Drafted Next Week

Five Quad-City area youths are to report next Wednesday to the county selective service office in Edwardsville for armed forces induction. On the same date, nine Quad-Cityans are to report for pre-induction physical examinations.
April quotas for the local area have not yet been received at the county headquarters.

Recruiter At City Hall

A new Army recruiting station opened Monday at the city hall in Granite City with Sgt. Donald W. Laird in charge. His hours will be from 9 a.m. to 4 p.m. Monday through Friday.

A new Quad-City record was virtually assured, since the cities had received \$238,702 through the first 11 months and December traditionally is a banner month.
Record December Total
The December tabulation was \$25,614, breaking the previous record for the month, \$24,856, reached in December 1959. Of the \$25,614, Granite City received \$20,633, Madison \$4011 and Venice \$964.
Contributing to the all-time high reached in 1960 was the fact that new monthly records were set in eight of the 12 months — January, February, March, May, June, August, September and December.
A breakdown of the year's \$264,367 city sales taxes in the Quad-City lists \$19,792 in January, \$20,069 in February, \$20,865 in March, \$22,840 in April, \$23,691 in May, \$24,996 in June, \$21,360 in July, \$21,685 in August, \$22,285 in September, \$20,219 in October, \$20,219 in November and \$25,614 in December.

Meng To Head GC Rotary Club

Granite City Rotarians elected Edward J. Meng, 2624 Madison avenue, as their 1961-62 president at a weekly luncheon meeting Tuesday at the YMCA. He and other new officers were named to one-year terms beginning July 1.

Meng served for four years on the Granite City school board and formerly was a member of the Tri-City Girl Scout Council. He is a past vice-president of the Illinois Federation of Postal Supervisors and a past president of the Mississippi Valley Postal Supervisors, a division that includes Madison and St. Clair counties.
The new president will succeed Dean Mabery, who was chosen as second vice-president for next year.

Other officers will be Gerald M. Broadway first vice-president; Raymond Ruffer, secretary; E. D. Kincaid, assistant secretary; James Louis, assistant treasurer; William Hildebeck, sergeant-at-arms; Stanley Bell, assistant sergeant-at-arms; and Glenn Alenroth, Loren Davis and Alfred H. Gehlert, directors for three-year terms.

The club installed as new members John E. Herrin of the Kimo Co. and William H. Thoenke of the Chain of Rocks Motel. Representing C. E. Townsend, program chairman, Rev. Vernie Burnett introduced Warren S. Simpkins, Granite City high school vocal music instructor. Simpkins conducted a 55-voice advanced mixed chorus in excerpts from "Let Freedom Sing," an original patriotic musical program developed by the students.

Civil War and Revolutionary War songs were presented, with chorus members forming appropriate tableaux scenes. An original native writer, Miss Laura June Clark of the GCHS faculty was presented by Wayne Hubbard, teacher, and Edward E. Bain, chorus member. Jean Hinson served as accompanist.
The program traced the American fight for freedom and rights of man. The complete version is to be presented tonight and tomorrow night in the school auditorium.

Returns To TB Sanatorium

Edward Martin, 307 Washington avenue, Madison, has returned to the Madison County Tuberculosis Sanatorium in Edwardsville for an indefinite stay.

GC Family Escapes Unhurt When Twister Rips Cabin

A Granite City family visiting relatives at a Branson, Mo., lake resort escaped unhurt when a twister ripped a cabin, under which they taking refuge, off its foundation and sent it splintering into a wooded area early this week.

Mr. and Mrs. Marvin Brokaw and their two children, of 2810 East 24th street, had gone to the resort last Thursday. The vacation spot is operated by Brokaw's parents, Mr. and Mrs. Irvin Brokaw, formerly of Granite City, who purchased the Lazy Lee Resort last October.
The elder Brokaw related the family's brush with death on Sunday in a telephone conversation with his mother, Mrs. Lillie Brokaw, 1312 Eighteenth street, yesterday.

Brokaw told his mother he had sighted the funnel-shaped cloud sweeping across the lake about 6 p.m. and that he alerted his family, who took shelter beneath a cabin near their householder.
As the tornado roared closer, all members of the family joined hands while lying near the foundation wall facing the twister. Brokaw and his son clasped the children tightly.
The devastating twister struck the cabin, a draft was created, but the precaution they had taken by joining hands had kept them together and prevented them from being injured, Brokaw explained.
In its path the tornado wiped out two cabins, destroyed five

others and swept away a boat dock, boats, motors, and office, and battered the trailer. A long two-inch by four-inch board was driven into the trailer, piercing the side.
Thousands of dollars of damage was caused by the twister but reconstruction plans are underway to restore the resort. Two cabins remained standing and are being used as living quarters by both families.
The younger Brokaw, employed at Shell Oil Refinery, Wood River, and his family who were enroute back to Granite City, returned after hearing storm warnings.
Brokaw will remain there to aid his father in the rebuilding process, and will take a one-week vacation, it was said. The resort is heavily booked for reservations in May.
Another resort owned by former Granite City residents was apparently untouched by the tornado, according to relatives here. Proprietors are Mr. and Mrs. David Gordon, who began operations last summer of the Little Indian Resort at Lempe, Mo., about 30 miles from the Brokaw place. They formerly operated Gordon's Market here.
No one has been received by Mr. and Mrs. William Redmond, of Granite City, parents of Mrs. Gordon's daughter, striking and Mrs. Thomas Williams, daughter of Mr. and Mrs. Gordon, said she knew nothing of a twister hitting the lake-side resort.

5 Arrested On Charges Of Speeding Wednesday

Five motorists were arrested Wednesday morning on Edwardsville road and issued arrest

rest tickets by Granite City police on charges of speeding. They were Sgt. A. S. 2817 National avenue, and Paul J. Wilshire, 39, of Collinsville, avenue.

Edward J. Dour, 24, of Collinsville; Harold J. Hackney, 34, of 2817 National avenue, and Paul J. Wilshire, 39, of Collinsville, avenue.

DUV Tent 90 Holds Party

Sarah Jane McEvers Tent 90, Daughters of Union Veterans of the Civil War, held a St. Patrick's party in connection with a meeting Wednesday evening at the American Legion Home.

Mrs. Minnie Rowley, Mrs. Zoe Cook and Mrs. Charlotte Roberts were appointed delegates to the Department convention to be held this spring, and the alternates named were Mrs. Opal Loefer, Mrs. Lucy O'Neill and Mrs. Louise Schleiff.

Committees were appointed by the president, Mrs. Gustafson, and there was a report by the Civil War Centennial chairman, Mrs. Sylvia Turner.

After the meeting games were enjoyed and refreshments were served from a table carrying out a St. Patrick's theme. Prizes were won by Mrs. Roberts, Mrs. Pearl Ward, Mrs. Marie Boyd and Mrs. Turner.

Hostesses were Mrs. Ward and Mrs. Boyd.

B&PW Delegates Are Named

The March dinner meeting of the Quad-City Business and Professional Women's Club was held at the YMCA last night.

A National Security program was given under the direction of Miss Jo Leslie, chairman of that committee, and the club members were entertained with a film strip "Operation Abolition."

Mrs. Verna Lengyel presided over the business session during which delegates were appointed to the Illinois State convention of B & P W Clubs to be held in St. Louis April 13-16. They are Mrs. Dolores Allen, Mrs. Helene Bischoff, Miss Leslie, Mrs. Ed. Thurner, Mrs. Vernice Wortman and Mrs. Lengyel.

The alternates are Miss Kathryn Van Order and Miss Mabel Stewart.

Twenty-five were present, including guest Hazel Scharrill.

Sorority Plans Easter Egg Hunt

Mrs. Betty Hines, Mrs. Millicent Clements, Mrs. Rosalie Bente and Mrs. Norma Boyer were hostesses to Beta Phi Chapter of Epistol Sigma Alpha sorority at a progressive dinner last night served in their respective homes.

After the dessert course at the Boyer home the remainder of the evening was spent in discussing plans for the Easter egg hunt to be held for mentally retarded children April 1, and with games. The prizes were won by Mrs. Bente, Mrs. Dolores Milton, Betty Buechler, Gerry Mendez and the hostess.

RECENT BRIDE IS HONORED

Mrs. Shirley Dinges, the former Shirley Doolittle, was guest of honor this week at a bridal shower given by her sister-in-law, Mrs. Dorothy Doolittle, 2912 Washington avenue.

Those present were Mesdames Bess Harlow, James Claxton, Lawrence Stogelmeier, Edward Hargrave and Mrs. Dix and Miss Nancy Doolittle of this city, and Mesdames Bernadine Hansen, Estelle Hansen, Norma Klingenberg and Dorothy Neuhaus of Edwardsville, and Mrs. Sallie Hammers and Miss Nel Harrison of Collinsville.

Student Night For Etude Club

Student Night provided the program for members of the Evening Etude Music Club last night in the home of Mrs. Julie Bartels, 2861 Delmar avenue.

The program was diversified and included music students ranging from ages six through 14.

The program preceded the business meeting and included Miss Leslie Hulse, who played two piano solos, "Puer Elise," by Beethoven and "The Juggler," by Carl Wilhelm Kern; Miss Ruth Baumann, a cello solo, "Divertissement," by T. J. Miller, accompanied by Miss Leslie Mayhew, trio, Misses Linda, Patty, and Janet Young, singing, "Bless This House," "Side by Side," and "Ten Pretty Girls," accompanied by their mother, Mrs. Stanley Young, a club member; and a piano student, Miss Almeda Lahr, who played "Solifleggio," by Bach.

Mrs. Woodrow Williams, president, conducted a short business meeting and enrolled two new members, Mrs. Calvin Marcum and Miss Joyce West.

Mrs. Wayne Bridgeman and Mrs. Phil Hulse were guests. Members attending were Mesdames William Ledbetter, William Hersh, John Decker, Williams, Mayhew, Young and Bartels.

A St. Patrick's theme was used in the arrangements.

Nameeki Women's Club Meets

The Nameeki Woman's Club met Wednesday at the Grand Cafe Annex with Mrs. Fremont Arbeiter, Mrs. June Steb and Mrs. John Lentz as hostesses.

The group gathered at 11 o'clock for a business session presided over by Mrs. Leo Schermer, and the program and luncheon followed.

The program was given by Dr. Leo Coleman, who spoke on "Fluoridation," and Christ Dushoff, manager of the Washington Theatre, who discussed the operation of the theatre.

Approximately 24 were present and after the meeting there were games with awards going to several of the members.

Plans Made By St. Mark's PFA

The Parents and Friends Association of St. Mark's school in Venice met Tuesday evening with 23 members present.

Mrs. Mary Simmons, president, was in charge of the business meeting and final plans were made for the group to attend a St. Louis television show yesterday.

The group also discussed a card party to be held on April 3 and committees were appointed. Further plans were made for the school picnic, to be held at Lee Park in May.

vidual classrooms for 12- and 13-year olds as well as lavatory facilities.

Renovation
Renovation of the church basement will provide eight new classrooms for children eight years and under as well as an assembly room for this group. A new heating plant for all facilities will be located in the church basement.

A planning commission of the congregation, headed by Charles Dudenhoef, worked over a year with the architect to find the best solution to the church needs, it was explained by the pastor, Rev. Arvin Twittemeyer.

The church building committee, headed by H. A. Amelung, devised the plans which were approved Tuesday night by the church's voters' assembly. The 11-member building committee represents each organization in the congregation, and the members are P. W. Albers, Amelung, Herbert Bunte, Charles Dudenhoef, Charles Guenther, William Habekost, Miss Virginia Heins, Mrs. Henry Kahle, Duane Rankin, Herbert Rapp and Mrs. Wilbert Smith.

Seven years ago, the congregation shelved a proposal to add an educational wing to the church which would include facilities for a four-room Lutheran parochial school. This action was taken when the congregation purchased a six-acre tract adjoining Shamrock Gardens subdivision for a later consolidated Lutheran school.

Jaycees Hear Talk By Dr. Harold Kaiser

Dr. Harold M. Kaiser, superintendent of Granite City school district, outlined the reorganization program which has taken place in the past three years in the system at a meeting of the Junior Chamber of Commerce last night at the Elks Club.

Dr. Kaiser told the group that the aim of the program is to prepare students to meet challenges they will face after leaving school.

Among the programs initiated at the school is raising educational standards, backed by similar administrative and economic policy. He emphasized the introduction of the guidance counseling system as the most significant change.

Also, the curriculum has been bolstered by the addition of more language, mathematics and science courses and the installation of language laboratories.

Forty members and guests from the Wood River and Belleville clubs attended the meeting. President Earl Parsons presided. Parsons was lauded by the president of the Wood River group for his leadership of the local group.

The Jaycees authorized a bowling team to compete in a state tournament April 23 at Chicago. A "bosser night" banquet at the Rose Bowl restaurant April 5 was discussed.

11 Den Mothers Complete Three-Day Training Course

Eleven den mothers completed a three-day training course yesterday at St. Joseph's church. Instructors were Mrs. Ethel Gotschall, Mrs. Evelyn Ringler and Mrs. Marge Vrelick, all members of the women's service.

Mrs. Belle Clark, 83, of 145 Volney place, Mitchell, died at 11:20 p. m. yesterday at St. Elizabeth Hospital, where she had been a patient for two weeks.

Born in Stanford, Ky., she was a Mitchell resident 18 years and formerly resided in South Roxana. She was a member of the First Baptist Church, Hartford. Her husband, Nathan Belden, died in 1916.

Surviving are five sons, Charles Belden, Mitchell, Russell Belden, Hartford, Samuel Clark, Granite City, John Scott, Keokuk, Ky., and Clayton DeGaris, Lexington, Ky.; four daughters, Mrs. Myrtle LaRone and Mrs. Francis (Annette) Malone, Trenton, Mich.; 20 grandchildren and 13 great-grandchildren.

Funeral arrangements are given in the obituary column.

Madison Rotary Heeds Stock Market Analysis

The stock market was analyzed at yesterday's Madison Rotary meeting by George Frangoulis, manager of the local Denney-Franger and Co. office, who said emotional and psychological factors often cause market fluctuations that do not accurately reflect a stock's long-range prospects.

Frangoulis displayed various publications and newsletters that guide investors, noting that the time themselves affect the price at which stocks can be bought or sold. He was introduced by William Vrelick, club president.

Frank Pijan was appointed as the club's representative to a Venice club improvement program. A study committee was named on a possible spring clean-up and lawn care project. A guest was E. W. Heeb, Ellis Grove, Ill., former member of the Madison school superintendent.

School Administrators Attend Regional Meeting

Supt. Harold M. Kaiser represented the Granite City school district at a regional meeting of the American Association of School Administrators ending Tuesday in St. Louis. Educators from 22 states attended, and similar meetings have been scheduled in San Francisco and Philadelphia this spring.

Other Granite City district administrators attending various sessions of the AASA meeting of this week included Victor Anderson, Harold Thomas, Earl Lee, Leland Bartley, Harold Briggs, Russell Robbins, Theodore Vrelick and Paul Wisch.

Police Catch Youthful Prowl; Another Escapes

In answering two prowler complaints last night, Granite City police took into custody a young boy who was taking soda from the rear of a house at 3000 block of Madison avenue. The owner did not wish to prosecute and the boy was freed after being reprimanded by the officers.

Shortly before midnight, police went to the 3700 block of Harding avenue, where a householder said he had caught a youthful prowler, but the youth had managed to escape. The area was searched, but police were unable to find the prowler, who was wearing a gray jacket and light trousers.

Penalty In Fraud Case Taken Under Adversement

Taken under advisement Monday by Police Magistrate Gasparovic was a penalty for Billy Dillard, 29, of 609 Broadway, Venice, who pleaded guilty to a charge of fraud.

The warrant was filed by Assistant State's Atty. John Githoff, who said it was for a local television shop, Dillard, he said, was purchasing a TV set from the shop and then sold it. An attempt is being made to recover the set.

Motorist Running Over Garbage Cans In Area

Four complaints that the driver of an old model car was running over garbage cans were received last night at Granite City police headquarters between 9:50 and 11:30.

The complaints were from the 3000 and 3100 blocks of Wayne avenue, 3200 block of Edgewood drive and from the Briarcliff subdivision.

EIGHT-GALLON BLOOD CONTRIBUTOR, Ronald Clare, is shown receiving a gold pin and a certificate this week in recognition of three gallons contributed to the Red Cross. Pictured (left to right) are George Eubanks, Red Cross chapter chairman; Clare; and Mrs. Ruby Overbeck, Red Cross executive secretary.

Red Cross Board Honors Clare For Blood Donations

Ronald Clare, 2137 State street, was honored Tuesday by the board of directors of the Tri-City American Red Cross chapter for contributing three gallons of blood to the Red Cross.

A certificate and pin recognizing the accomplishment were awarded to Clare by George Eubanks, chapter chairman, during a monthly meeting of the board.

It was noted that, including both Red Cross and other blood donations, Clare has given 65

pints of blood. He is employed at the Hub Drug Store.

The presentation was made in connection with observance of Red Cross Month in March. Plans for additional phases of the observance were discussed during the meeting, and among them will be window displays and a water safety display.

An organizational blood program explained at a public meeting during the fall was discussed by the board, with plans made to continue contacting local organizations.

Floyd Mitchell, chapter vice-chairman, was designated to represent the chapter at a national Red Cross convention at Cincinnati in May. A decision on whether to send a Junior Red Cross member was deferred to the April board meeting.

Office Improvement
After a brief discussion, it was decided to seek improvement of flooring and a partition in the Red Cross office. John Solenberger, United Fund director, said there are no plans for joint office quarters for U.F. agencies in the near future.

A monthly home service report by Mrs. Ruby Overbeck, Red Cross executive secretary, showed six cases of financial assistance totaling \$771 in February. 12 information reports, four emergency leaves, one leave extension, two health-welfare cases, six cases of assistance with government benefits, 22 counseling cases, 20 other contacts involving correspondence and 20 wires and three calls in contacts with the American Red Cross. Of 50 cases during the month, 20 involved Engineer Depot personnel.

A treasury report by Mrs. Anna W. Gosse showed disbursements of \$7804 for the first eight months of the 1960-61 fiscal year. Balance on hand is \$2646.

Basic Leadership Course For Girl Scout Personnel

A basic leadership course for Girl Scout leaders will be held March 21, 23, 28 and 29 at St. Peter Evangelical & Reformed Church, the Tri-City Girl Scout Council said today.

Sessions each day will be held from 9:30 to 11:30 a.m. and from 12:30 to 2:30 p.m. Leaders, who should register by calling the Girl Scout office, must bring their own lunches. Trainer for the course will be Mrs. Shirley Brown.

The Girl Scout council has scheduled 11 other training courses for adult leaders in April and May. All are a part of the council's spring training program.

Heart Fund Donations Reach \$4909 Mark

Official tabulations, completed this week, show contributions to the "Heart Sunday" drive on Feb. 26 surpassed the 1960 mark by \$200, according to Alex Ducini, campaign director. A total of \$4317 was netted in the house-to-house canvass.

The overall drive, which lasted for one month, brought in \$4909, a few dollars shy of the 1960 figure of \$4924, Ducini said. However, other contributions are yet to come in, which will probably send the 1961 campaign figure past last year's.

The tabulation was made Tuesday after \$729 collections by the Venice-Madison Post 307 were received.

Campaign funds will go into the regional office of the Illinois Heart Association in Alton. Some of the money will be used at the McKinley school for a rheumatic heart detection program.

In cases where a heart condition is detected, penicillin is needed as a treatment. The drug will be purchased from drive funds for those who cannot afford it.

CONCENTRATION on steps, rhythm and movement is shown on the faces of these youngsters participating in "Gifford March Cindy," the final number of the Granite City park district's Square Dance Jubilee for its classes of grade school youngsters, staged Tuesday evening at Memorial gymnasium.

1500 Parents Enthralled By Square Dancers

Happy youngsters, 450 of them, presented a colorful performance lasting nearly two hours before about 1500 parents, grandparents, uncles and aunts Tuesday evening when the Granite City park district staged its first annual square dance jubilee.

The program, given in Memorial gymnasium as a climax to weekly square dance classes, featured the grade school age children in bright costumes of their own design, and as added attractions there were specialty numbers by the "Tadpoles," a group of youngsters with at least two years square dance experience.

Instructors Director Harold Brown also called upon the

adult instructors to perform. They were Mr. and Mrs. Robert Boyd, Mr. and Mrs. Ray Sharp and Mr. and Mrs. Louis Kilbort, with two Tadpoles filling in the square to replace other instructors Robert Stegemeler and Robert Gaultz.

Pupils from Logan, Nemo, Niedringhaus and Wilson grade schools nearly jammed the high school gym floor and danced several numbers, while others featured the individual classes from each school.

To give the youngsters a breather, the Tadpoles performed specialty numbers in costumes — "Witch Doctor," "Dixie Chair" and "Mountain Dew."

Numbers By Pupils

The entire group danced to

"Swiss Miss," "First Nighter," "Schottische," "Broom Dance," "Grand March Cindy." The Logan pupils presented "Hurry, Hurry Home," Nameless school, "First Nighter No. 4," Niedringhaus school, "Susie," and Wilson school, "First Nighter No. 2."

Following the grand march, each pupil was presented with a diploma as "bachelor of square dance" by park district commissioners Barry Lamm, president; Milton Worthen, vice-president; Clarence Baumeier, Milton Allen and Earl Bloomquist.

As a token of appreciation, the park district also presented Boyd with a plaque and gave special recognition to the other instructors.

**Here Are the Facts!**

YOU, the homemaker, are constantly besieged with invitations to buy merchandise from many business establishments. All legitimate merchants attempt to compete for your dollars with the best possible values they can find for you. Most, if not all, of the values you are offered from day to day are authentic in every way and represent real savings for you! However, every once in a great while a condition arises that forces a merchant to offer values that are far beyond the usual! Such a situation now faces Fredman Bros. Furniture Co. and below are a few examples of the many hundreds of values now being offered.

Board Approves Classroom Heat Controls, New Doors

Additional room heating controls for Granite City high school classrooms were approved by the school board during a semi-monthly meeting Tuesday night. Twelve \$35 thermostats, totaling \$420, were ordered from the Minneapolis-Honeywell Co.

With 40 original pneumatic thermostats for control of radiator valves now over 30 years old, it was necessary recently to replace six of them, School Engineer Marvin Dean reported. Further study of the heating system indicated the need for 12 more thermostats at this time.

Supt. Harold M. Kaiser said improved room heat controls can result in savings as well as comfort, since in many cases windows have had to be opened to offset excessive heat.

Lawnmower Repairs

The board authorized Branscomb Sales and Service to repair smaller lawnmowers of the school district again this year. After it is determined this spring how many will need to be replaced, bids will be sought on new mowers.

It was noted that Branscomb is the local representative of the Toro firm, manufacturer of the mowers owned by the district, and has handled the repair work for three years.

Engineer Dean told the board it is planned to trade a real-type gang mower and an old tractor for a tractor with a rotary mower suspended beneath.

Discus Grader

The board deferred until its March 28 meeting a decision on acquisition of a grading machine for use on school parking lots, driveways, campuses and athletic fields.

Dr. Kaiser said he has been told by U. S. Office of Education officials that chances of obtaining a surplus government grader are remote. A discussion brought out that a slightly used grader available for \$5500 would be needed for at least 1000 hours, resulting in an average hourly cost lower than the rental fee for such equipment.

With filling needed at the Wilson and Prather schools, school hall diamonds planned and regular maintenance work required on lots and driveways, a grader could be put to frequent use, Dean reported.

The board accepted a long bid of \$1224 from William Weiss and Co. of Granite City on replacing eight doors damaged by vandals or burglary in recent weeks. All local contractors were notified that bids were being sought, it was reported.

Four doors at Maryville, two at Lake and two at Frohardt

were damaged in similar incidents. A tire tool was used to force them open near the locks, damaging both the doors and locks. The cost is to be borne by an insurance policy.

Shop Safety Classes

Fifteen dozen safety glasses were purchased from R. E. Equipment Co. on its low bid of \$412. They will be used as safety equipment for students in school vocational shops at the end of the school term.

The glasses are to be issued to individual students, with deposits posted for return at the end of the school term.

Low bids totaling \$1444 from E. Ray Foods of Granite City were accepted. Included were \$394 on 75 cases of tomato paste and \$850 on 50 cases of potato flakes. The bids will be the last needed in this fiscal year for school cafeteria food products, Administrative Assistant Victor G. Anderson reported.

A low bid from the Collinsville Herald was accepted on printing of ballots for the school board election April 8. Fifty specimen ballots, 200 sample ballots and 7700 official ballots will be provided at a cost ranging between \$79 and \$125, depending on the number of names on the ballots. The filing period has not yet closed.

15 Polling Places

The board formally called the election for noon to 7 p.m. April 8, designating 15 precincts and polling places.

Polls will be located at each of the 14 grade schools and at 1234 Madison avenue for the portion within both the Granite City school district and the city of Madison.

Bids were opened on a conveyor, library book binding, yearbook and a drying agent for silverware. They were referred to the administration staff for tabulation and study.

\$200,000 Tax Warrant

A \$200,000 tax anticipation warrant for the educational fund was authorized. It will be obtained from the First Granite City National Bank at 3 1/2% interest.

The action increases borrowing for the 1960-61 school year to \$400,000, since a similar warrant from the First Granite City Trust and Savings Bank was authorized Feb. 14.

Supt. Kaiser said it is hoped to limit borrowing this year to about \$300,000, compared to \$1,000,000 last year, when a \$500,000 total was expected but a federal check was late in arriving.

Noting borrowing of \$665,000 in the previous year, he said opening and staffing of four new schools were factors in the increase. He added that there

ASSISTANT ADVISORS for Gold and Black chapters of Roca young men's club, who were installed together with chapter officers Tuesday night, were Robert Hilker (left) and David Moser.

Roca Chapters Install New Officers, Advisors

Roca Gold and Roca Black chapters conducted joint officer installation ceremonies and also installed two new assistant advisors for the young men's club Tuesday night at the Rose Bowl restaurant.

New assistant advisors, named to aid head advisor and Roca founder Earl Parsons, are David Moser and Robert Hilker. Moser, a past-president of the Roca club and currently a student at the Alton residence center of Southern Illinois University, became assistant advisor of the Black chapter, which holds meetings at the Moose Lodge. Hilker, also a student at the Alton SILU residence, is a past vice-president of Roca and received the outstanding member award while an active member. He will serve as assistant advisor for Gold chapter.

Parsons, who also is president of the local Jaycees, installed new club officers after retiring president Michael Mundy was presented with a gift by the two chapters.

Gold chapter officers are Dan Brawley, president; Jon Davis,

is hope of further debt reduction next year.

Three Resignations

Resignations were accepted from three teachers, Mrs. Leola Johnson of St. Ann's school, effective March 30; Bill Terrell, who has been on a study leave of absence and resigned effective Feb. 27 to enter business; and Miss Dorothy Morgan, GCHS English teacher who has been a faculty member here 21 years.

Miss Morgan, who is transferring to Proviso high school, will leave here with the close of the current semester June 30. George Eubanks, president in the absence of President Homer Huber. Other board members present were Secretary Howard Kaneberg, Robert Spengler and Glenn Abenroth.

Drive-In Theater To Be Renamed, Remodeled

The former Alwood Drive-In Theater, on Old St. Louis road in Wood River, will open under a new name, "Capri," this weekend, according to Julie Jablonow, of Mid-America Theater Enterprises, who recently purchased the business.

The firm, which operates seven theaters in Illinois and Missouri, plans an extensive remodeling program expected to be completed in June. Included will be installation of all new motion picture equipment, and speakers, and a new snack playground area is planned.

Two more theaters will be purchased by the firm during 1961, Jablonow said. The Capri will remain open during the remodeling.

Federal Intervention On Plant Locations Could Hurt This Area

Testimony by Harold T. Kramer of Illinois before the U. S. House Banking Committee affords food for thought on proposed "depressed area" legislation. Noting that "industrial development is a highly competitive activity" involving "virtually every community and state," he said federal inducements for industries to locate in some areas could unfairly inhibit such growth in other cities.

Since the Illinois Metropolitan Area is not classified as "depressed," it would not be aided. Instead, development of the prime industrial sites here might be slowed through artificial stimulation of other areas by Washington officials.

We do not advocate a selfish outlook, for some sections have definite economic problems. But we can visualize many potential abuses—resulting in hardship as real as that now being spotlighted—if the federal government enters the field of helping to decide where plants should be located.

Kramer assailed the \$400 million appropriation as ignoring most of the problem's actual causes, which he said include attitudes of government, leadership of citizens, labor-management relations, tax rates and job skills. A different approach than that now being advanced would seem fairer to the communities that already have taken it upon themselves to find some of the solutions.

Center Parkway Would Beautify Wabash Avenue

Development of a center parkway on Wabash avenue, dividing traffic lanes along the entire length is a good idea and should be carried out by the city as soon as practicable.

With the right-of-way already existing and the street in use, cost of the project probably would not be great. A reasonable expenditure certainly would be justified by the improved appearance and elimination of hazardous turns.

Like the area along 24th street, a Wabash avenue parkway could become a refreshing vista of greenery in the midst of a predominantly residential section.

Each Assessment Exemption Shifts Burden To Others

Madison county township assessors meeting as a steering committee for the entire group of 24 assessors were wise in planning no basic changes in assessment procedures for the year beginning April 1.

It is true that a new approach to assessing is needed in order to achieve a fairer sharing of the tax burden, but this would involve funds for independent appraisal and possibly a law change to add weight to the impartial system, since it would limit the present power of assessors.

Short of this, major changes in assessing procedure should be fully aired and discussed before adoption by the assessors. This is because each source of revenue that is curtailed places an additional burden on the remaining sources. For example, ending of the assessment of household belongings, as proposed in some areas due to the difficulty of determining true value of furniture that is in use, would shift more of the load to dwellings, thus discouraging home construction.

One does not have to understand the theory of relativity to realize that each taxing exemption

fails to eliminate the need for funds but merely adds to the taxes paid by those not exempted. Some changes may be justified but they should be brought up earlier than the eve of the assessing period.

Research Aiding Magnesium, Other Dow Chemical Products

"Our problems may be increasing, but so is our ability to deal with these problems," Carl A. Gerstacker, new chairman of the Dow Chemical Co., sums up in reporting a 5% sales gain and 12% earnings drop in 1960. "The profit squeeze will get worse before it gets better," he says, but adds that spirited competition in chemical and metal industries is healthy and should spur development of new products through research.

Creative people hold the key to the 1960s, the head of Dow Metal Products' parent company believes. It is inevitable that overcapacity will overtake one product and cause profit margins to deteriorate, but research can create new products with new profit potentials, he asserts, citing as recent Dow achievements a new crabgrass killer, an ammonium nitrate explosive and a drug to cure a common disease among chickens.

Time required to take a product from the laboratory to the market has been cut to an average of four years; items developed by Dow since 1955 accounted for over 10% of the firm's 1960 sales. The young executive notes with pride that of 88 Dow products developed in the past five years, 18 rolled up sales of more than \$1,000,000 last year. Meanwhile, the 24 introduced in 1960 represented the most for any one year.

Gerstacker's report that research also is improving the profitability of some of the older products seems to have particular application to Dow's local facilities, which include much of the world's magnesium rolling equipment. As a result of new applications developed for this metal, it is now about to move into the black for the first time after years of red ink.

Caliber Of Local School Basketball Compares Well With Rest Of State

Advancement of two Southwestern Illinois Conference teams into the upper strata of statewide high school basketball competition speaks well for the caliber of school athletics in the Illinois Metropolitan Area, as exemplified in past seasons by state qualifiers from Granite City and Madison. Lincoln and Venice quintets also have given a good account of themselves.

Collinsville, ousted in previous years by the local teams, reached the "sweet 16" finals this year still undefeated. Belleville has proven superior to highly-regarded entries from other areas in current tournament play after losing to such athletes as the Trojans and Warriors in recent weeks.

It is too bad that so many outstanding teams have to be eliminated in local pairings, though the present system is much better than past procedures which also sent St. Clair county teams into the Madison county sectional.

Unfortunately, every team cannot win. The fact that 730 of the 731 Illinois schools are eliminated at either the district, regional, sectional, super-sectional or state level is little consolation to the fans of such outstanding aggregations as the 1960-61 Madison squad, beaten only once except for its games with Collinsville. But, as is true in many endeavors, there is always another year and a fresh slate.

NAMEOKI UPF PLANS FELLOWSHIP NIGHT

The Nameoki United Presbyterian Women's Association met Monday evening at the church on Pontoon road. The meeting opened with joint reading of the purposes of UPF.

The devotional on "What Prot. Believers" was given by Mrs. Ann Freeling, who also read missionary names for the day and offered prayers in their names.

A report on the recent World Day of Prayer was given by Mrs. Edith Simpson, fellowship chairman, who also reported on the visitation of members by the fellowship committee.

Mrs. Freeling read a Biblical report on the Rev. Raymond Nott, who is missionary to the Big Basin in Wyoming.

The program chairman, Mrs. Louise Anderson, spoke on plans for a film at the April 10 association meeting, which also will be "fellowship night," and reminded the group that Chapter 2 of a circle study will be participated in at the March circle meeting.

She introduced Mrs. Lu Pyle, who gave a book report on "Dr. Wilson. The book is on the life of Ida S. Wilson, a missionary to the Navajo Indians, were shown. Mrs. Young Kim will be hostess to the evening circle March 28 at 8 p. m. in her home, 106 Spring avenue, and Mrs. Joan Kaseberg will entertain the afternoon circle on March 23 at 1 p. m. in her home on Rural Road.

The evening's hostesses, Mrs. Edith Arbogast and Mrs. Tivya Marcum, served a late dessert course to Mrs. Bea Pyle, Mrs. Alta Stewart, Mrs. Pauline Baldwin, Mrs. Bonnie Britten, Mrs. Betty Flinn, Mrs. Kim M. Fenn Mitchell, Mrs. Violet Monahan, Mrs. Lu Pyle and Mrs. Irma Taylor.

DEN MOTHERS MEET

Mrs. Mary Ann Rohlfing entertained the den mothers and officers of Cub Pack 22, sponsored by the Frohardt PTA, Monday evening in her home, 4021 Pontoon road.

Cubmaster George Guika introduced Charles Fannell, ticket chairman for the annual scout camp on June 3 and 4 at the Venice American Legion home. He distributed tickets to the den mothers, who in turn will give them to the cubs to sell.

Plans for the March 28 pack meeting were discussed, and the entertainment will be given by the committee, with a playlet entitled "Swampen Fever." Guika derby will be held April 25 at Frohardt school and that the next den mothers' meeting will be at his home, 3162 Davis avenue.

The hostess served a dessert course to Guika, Fannell, Mrs. Peggy James, Mrs. Rose Douglas, Mrs. Mary Tarporf, Mrs. Frances Lippold and Mrs. Wilma Tongay.

RAISE FLAG TO MARK GIRL SCOUT WEEK

All Girl Scouts who attended the Coolidge junior high school Tuesday morning participated in a flag-raising ceremony Tuesday morning to commemorate National Girl Scout Week. Each day of this week represents a different phase of scout work, and Tuesday was Citizenship Day.

The flag was carried by Karen Cooper, and color guards were Robert Miller, missionaries to the Navajo Indians, were shown. Mrs. Young Kim will be hostess to the evening circle March 28 at 8 p. m. in her home, 106 Spring avenue, and Mrs. Joan Kaseberg will entertain the afternoon circle on March 23 at 1 p. m. in her home on Rural Road.

The evening's hostesses, Mrs. Edith Arbogast and Mrs. Tivya Marcum, served a late dessert course to Mrs. Bea Pyle, Mrs. Alta Stewart, Mrs. Pauline Baldwin, Mrs. Bonnie Britten, Mrs. Betty Flinn, Mrs. Kim M. Fenn Mitchell, Mrs. Violet Monahan, Mrs. Lu Pyle and Mrs. Irma Taylor.

BOARD MEETING AT MARYVILLE SCHOOL

The executive board of the Maryville school PTA met at the school Tuesday evening with Kenneth Gleson, president, conducting the meeting.

Attorney Dwight Taylor will contact the park board about holding the school picnic at Wilson Park on June 3. He also reported that he had written the state and contacted township officials in regard to sidewalks for Maryville road.

Arrival at school, parking and the condition of the roads to the school have been regarded as major problems. Traffic on the grounds has been under the direction of two mothers, Mrs. Lively and Mrs. William Pappas, it was reported.

The PTA will hold a rummage sale at the IOOF hall on April 22, and the room winning the prize for having the largest percentage of parents as PTA members will be announced at the next PTA meeting March 21.

Mrs. Tivya Marcum was named to the nominating committee and two more members will be elected Tuesday evening from the membership. Miss Margaret Roberts, physical education instructor, will be in charge of Tuesday's program and will give a demonstration of games and skills taught in the gym classes. Members attending included Principal Owen Humphrey, Mrs. Pat Welch, Mrs. Pat Baumberger, Mrs. Helen Hays, Mrs. Louise Koster, Mrs. Ewell Stone, Mrs. Marcum and Mrs. Jackie Cooper.

FOUR GENERATIONS HONOR MRS. HOFFMAN

Mrs. Mamie Hoffman, 2047 Washington avenue, was honored by her daughter, Mrs. Marguerite Perkins, Sunday afternoon with a party at the Perkins home in Wood River on her seventy-fifth birthday.

Attending the party were Mrs. Hoffman's son-in-law, Mr. and Mrs. Eugene Hoffman, Mr. and Mrs. Andrew Hoffman and Mr. and Mrs. Horace Hoffman; and children, Freddy and Paul Hoffman, Louise and Susan Becker, Pam, Donna, Sandy and Sheila Ellis and Diane and Roger Heath, and Mrs. Billy Heath, and Mr. and Mrs. Ron Hildebrand and three great-grandchildren, Philip, Michael and Richard Heath.

Another son, John Hoffman of Cleveland, Ohio, who was unable to attend, surprised his mother with a bouquet of red roses which arrived as the family enjoyed a pot luck dinner. After the dinner, games were played.

TROOP 13 PAPER DRIVE
Boy Scout Troop 13, sponsored by the Holy Name Society of St. Elizabeth Catholic Church, will hold a paper drive Saturday to raise funds to purchase equipment. Stanley Podraza, Edwin Reinhardt and John McElroy will handle calls for a pickup service.

MRS. CLAUSSEN HOSTESS

The Progressive class met Monday at the home of Mrs. Ruby Clausen, 2316 Logan avenue, for a regular meeting, pot luck dinner and birthday observance. Mr. and Mrs. Clausen, Mrs. Winnie Tucker and a guest, Mrs. Minnie Cavins, were honored on their birthdays and presented with gifts.

Mrs. Gladys Duggins presided and it was decided to send cards and handkerchiefs for Easter to shut-ins. Other members and guests present included Mesdames Louise Daniels, Roberta Richardson, Lena Garden, Edith Wilson, Ruth Helton, Iva Biggs, Nellie Cross, Myrtle Burnett, Wilma Gillham, Alene Reagan, Emma Harwell, Maggie Broadway and Miss Irene Broadway. Mrs. Naomi Rongey and Mrs. Nellie Ronger led prayer and Mrs. Mae Williams gave the devotion.

ST. PATRICK DINNER FOR GOLDEN CIRCLE

The Golden Circle class of Second Baptist Church held a dinner meeting Tuesday evening. The tables were appointed in keeping with St. Patrick's Day. Those seated were Mesdames Shirley Mayberry, Jo Anne Imboden, Johnnie Mathis, Janet DeGruze, Betty McKinnon, Mary Muskin, Judy Lupardus, Karen Lewis, Pauline Dawson, Lorraine Whitson and Maxine Dacus.

WINSOME CLASS MEETS

The Winsome class met at the home of Frances Feldman, 3020 Ramona drive Monday night for a monthly meeting and a birthday gift exchange. The theme song was sung by the class, and prayer was given by Mrs. Wilma Gillham and Mrs. Evelyn Davis. The devotion was given by Mrs. Evelyn Smith. Plans were made to prepare gifts for shut-ins for Easter. The closing prayer was given by Mrs. Norma Ekins.

Refreshments were served by the hostess. Others present were Mesdames Elsie Libbar, Myra Grote, Luven Finell, Louise Mitchell, Ethel Cox and Louise Hurrey and Misses Irene Broadway, Bonnie Finell and Margaret Libbar.

Dick Miller Primary Sunbeams met Tuesday afternoon at Second Baptist Church. Singing was held and Mrs. Betty Lewis told a story of two Indian girls. Indian cradle boards were made by all present.

Mrs. Lewis gave a talk on the Annie Armstrong offering, and prayer was given by her and Miss Evelyn Barnes.

Others present were Steven Hosts, Elaine Travis, Frances Welty, Cheryl Hancock, Kathy Farley, Nicki Tooley, Linda Barrett, Cynthia Radloff, Linda and Elaine Budke and visitors Miss Evelyn Barnes, Betty Franklin, Alan Newberry, Ruth and Danny Anderson and Debbie Johnson.

Gale Shackelford, Canton, Ohio, while on a business trip to St. Louis, visited his mother, Mrs. Anna Shackelford, while she was a patient at the Jewish Hospital after undergoing surgery. He also visited other relatives, including Mr. and Mrs. Dan Earmhardt, before leaving for his home Sunday.

BIRTHDAY OBSERVANCE

Rev. and Mrs. Commodore Grove were honored at a birthday celebration Sunday evening following services at the Dewey Avenue Methodist Church. There were birthday decorations, and a program was presented by a group of church members.

A birthday cake and coffee were served to about 75 persons. All joined in singing the birthday song.

CIRCLE MEETING

The Second Baptist Church Naomi circle met this week at the home of Mrs. Marjorie Pannell, 3232 Washburn avenue. The program was entitled "Safe-guarding Our Youth."

Mrs. Betty Lewis led the program, and those participating were Mesdames Isabelle Burnett, Jarena Miller, Nadine Frith, Charlene Sanders, Lucille Thompson and Mrs. Pannell. Others present were Mrs. Jennie Monahan, Mrs. Maxine Smith, Chuck and Mary Pannell, Norman and Nancy Sanders and Gary Lewis. Prayer followed a business meeting, and refreshments were served by Mrs. Thompson. The April meeting will be at the home of Mrs. Frith.

EASTER PROJECT

The Young Women's Auxiliary of Second Baptist Church met Tuesday evening at the home of Mrs. Ruth Ann Showers. Mrs. Myra Grote led prayer and Mrs. Betty Rains directed the program. Others participating were Janet Warnhoff, Barbara Cox and Betty Hoffman.

The group decided to send an Easter basket to a shut-in. Ruth Ann Showers presided at a business session. Others attending were Wilma Cherry, Jo Marie Cook and Wanda Lupardus, who will entertain for the March 20 meeting.

MORE ABOUT

Educational
Research

(Continued from Page 1)

In the various schools, point up research problems and conduct a study of them.

Possible Topics

An example of research topics pinpointed so far in the principals' report, Dr. Kaiser said, is the following comment: "A child is assigned to the next grade but is not capable of carrying the work. The teacher takes him where he is, but at the end of the year there is always the problem of what to do with him—retain him, or pass him on to the next level?"

Other study areas may include foreign languages and other advanced subjects at the elementary level, developmental reading, development of additional curriculum guides and course outlines, testing the multiple "track" system, the instructional guidance, instructional aids, coordination of a subject at all grade levels, coordination of instruction within a grade, improved reports to parents on pupil progress, the development of citizenship training and aid to slow learners.

Dr. Kaiser said Eugene Alford, art director, is devoting part of his time to developing an art guide for use in elementary schools, and similar approaches are planned in other subject areas.

CELEBRATES 25th ANNIVERSARY

Miss Helen Beck, business office supervisor, celebrated her 25th anniversary of service with the Southern Bell Telephone Company on March 2. Helen started with the Telephone Company in Granite City in 1936 as a telephone operator. She became a Telephone Company service representative in 1942 and was appointed business office supervisor in 1957.

Helen's 25 years with the Telephone Company have been eventful ones. Those of us who have worked with Helen have certainly enjoyed her pleasant, vigorous personality and delightful charm.

IMPROVING TELEPHONE SERVICE
IN THE QUAD-CITIES

Today, you can reach almost anyone in town or around the country in a matter of seconds... by telephone.

If you're curious and want to see what's behind the telephone calls you make and receive, plan to visit our telephone central office real soon. We'll be glad to show you or your club or civic group many of the technical changes in equipment and methods that continue to improve your service. Just call us and let us know when you're coming.

These "behind the scenes" improvements come about in two ways. A great many result from the full-time research carried on by telephone scientists. Other improvements come from ideas of telephone people working right here in Illinois.

This teamwork between telephone people on the job and scientists in laboratories makes an unbeatable combination. Our goal is simply this: to give you service this year that's better than last year's.

Here are some of the service improvements planned for the Quad-Cities:

The telephone central office will be expanded by 2,450 additional lines and 2,000 more telephone numbers.

The control office power plant will be revamped and enlarged.

Three major cable construction jobs will provide 5,400 additional talking channels.

Direct distance nation-wide dialing will be introduced.

NEW COMMUNICATIONS
SATELLITE ON THE WAY

The success of project Echo—the communications satellite launched last fall and still orbiting the earth—proved that communications signals may be transmitted over great distances by controlled satellites.

The Bell System plans to launch additional communications satellites throughout the year.

Three experimental satellites will test transmission of voice and television signals, as well as other types of communications.

These experiments could lead to a world-wide space communications network capable of handling television programs and overseas telephone calls.

Call by number. It's twice as fast.

MORE ABOUT
R-C Cola
Plant

(Continued from Page 1)

Upper 10 lemon-line drink and four Diet Rite low calory beverages, cake, orange, root beer and ginger-ale.

Caramel From Union Star. Supplies being brought to the plant by an Illinois Terminal Railroad car line include liquid sugar from a Baltimore sugar refinery. Caramel is being purchased from the Union Star and Refining Co. in Granite City.

Purity and freshness of flavor is emphasized by the company, and elaborate vats and tanks have been placed in operation to treat water obtained from the local water supply.

While speed of the canning line will vary according to the flavor being used, it is believed that it will compare favorably with that anywhere in the country for carbonated beverages. Other types of beverages can be canned faster, however.

Built during 1960, the plant is located on a 45-acre tract purchased by a Royal Crown Cola First plans for the manufacturing center were announced Jan. 12, 1960, by W. H. Glenn, president.

W. T. Miller, vice-president of production, supervised planning for the plant and equipment installation was directed by O. C. Perry of the firm's engineering staff. The Tom Studebaker Construction Co. was general contractor for construction of the 60,000-sq-ft building.

McCambridge Accident

Northbound autos of Wilbur H. Gehring, 62 Route One, Edwardsville, and Eugene P. Schwartz, 45 St. Louis, collided Sunday afternoon at 10:15 a.m. at the intersection of Route One and St. Louis, at 10:15 a.m. Tuesday while Gehring was attempting to make a left turn. Schwartz reported damage to a right fender of his car.

Wrestling Wrapup

GCHS Grapplers Set 11 New Records; Taylor's 72 Wins Is All-Time High

Granite City high school's varsity wrestling team, which finished fourth in the state meet last month and figures to be just about as tough again next season, accounted for 11 new team and individual records in 1960-61, a final check of statistics and results shows.

Heading the list is GCHS' third all-time school record holder within the past three years — 103-pound senior Ernie Taylor.

Taylor's career total of 72 victories surpassed by one the total compiled by a January 1960 graduate, Mike Trovovich. Trovovich, now a regular with Southern Illinois University's grappling squad, had in turn compiled by George Wismeth during the previous season.

Taylor, who has wrestled at the 95, 103, and 112-pound weights over the past three seasons, set a record by setting a record, so to speak.

He began his senior year with a total of 42 victories, and his 30 wins in 32 bouts this season also represented a new individual mark for any one season.

Taylor also gave five GCHS mat competitors another GCHS mark to shoot at. The 300 team points he scored in three years established a new high total for an individual.

Second Four Shoutouts
The school records which Coach Bill "Red" Schmitt's outfit set as a team this season included an unprecedented four shoutouts in dual meet competition, 257 individual bouts won and 1025 team points scored.

And, although they are not considered as records, the Warriors added several more victories to their wrestling war bonnet this season.

A fourth place tie with Waukegan at the state tournament was the highest finish for a GCHS team since 1957. The Warriors were sectional titlists for the eighth consecutive year, after winning the district championship for the fourth time. Only four district meets have been held.

GCHS successfully defended the title at the University High School Invitational tournament at Illinois State Normal University, while the sophomore squad edged River View Gardens to win its own tournament for the fourth straight year.

Area Win String At 77
Schmitt's wrestlers also extended their string of victories against Southern Illinois and St. Louis area teams to 77 straight. The Warriors have not been beaten locally since 1956, when Belleville turned the trick.

One of the most handsome new features in the GCHS bonnet this season was a victory over Itasca high school of St. Louis, a team which has won the Missouri state title for the past 14 years.

Telecast State

Finals Saturday

Semifinals and finals of the Illinois high school basketball tournament will be telecast direct fromampaign for the 10th consecutive year by St. Louis educational television station KETC, channel nine.

The TV coverage, with sports announcers Jack Drees and Chick Hearn again describing the action, will begin with the tournament's semi-final games at 1 p.m. Saturday, and resume at 7:30 p.m. with the third-place and championship games.

Lettermen, Faculty

Clash Tuesday in Basketball Contest

Funds to aid in the purchase of a "coming events" marquee for Granite City high school will be the aim of a Tuesday night basketball contest at the GCHS gym between members of the faculty and student lettermen's club.

Admission to the court contest, which will feature added halftime entertainment, is 50 cents per person.

Faculty members taking part in the basketball game include Tom Neeth, Gordon Galbreath, Donald Brumley, Andy Schmitt, Dick Harmon, Ross Rosenblatt, Richard Payne, Ken Snell, Bill Bury, John Stohart, Dick Yates, William Schmitt and Joe Federa.

The Lettermen's club roster includes John Allen, Melvin Barron, Brett Bjorkman, Larry Brisky, Quinn Hoover, George Crews, John Lerch, Ron Burton, Dave Rousseau, Jerry Wallace, Keith Veiser, Pat Schmitt, Mike Vassilef, Butch Robbins and Terry Titwallow, all of whom have earned varsity letters in some major sport other than basketball.

The game time next Tuesday is 7:30 p.m.

April 4th Opener For GCHS Net Men
Coach Dick Harmon's Granite City high school tennis team will begin its 1961 spring season at home on April 4 against a Southwestern conference opponent, Wood River.

The meet, the first of 12 scheduled by the Warriors, who won the Southwestern conference title last spring and finished with a 9-1 overall record. Harmon is still trying to fill three open dates on the GCHS calendar — April 24, May 1 and May 15. Last season, the Warriors shut out Wood River twice and compiled a total of five 5-0 victories to their credit.

Meets scheduled outside the conference are with Roxana, Vandalla and Country Day of St. Louis county.

The varsity tennis schedule: April 4 Wood River, Here, 4 (S) April 6 Collinsville, Here, 4 (S) April 10 Belleville, There, 4 (S) April 12 Edwardsville, There, 4 (S) April 17 Country Day, There, 4 (S) April 19 Collinsville, Here, 4 (S) April 20 Wood River, There, 4 (S) April 24 Open April 26 Belleville, Here, 4 (S) April 27 Edwardsville, Here, 4 (S) May 1 Open May 3 Roxana, Here, 4 (S) May 5-6 District Tourney May 9 Vandalla, There, 4 (S) May 15 Open May 17 Roxana, There, 4 (S) May 19-20 State Tourney

were district titlists. The records of other underclassmen, while not quite so impressive, plus the showing made by the sophomore squad and another undefeated season for the Coolidge junior high school team, would seem to indicate that the 1961-62 edition of Schmitt's grappling crew will be capable of providing GCHS wrestling fans with just as much to get stirred up about as did this season's aggregation.

The loss of Taylor and Ridings through graduation will leave big gaps, however.

Taylor won SWC titles in 1959, 1960 and 1961; was a division runner-up at Normal in 1960 and champion in 1961; district runner-up in 1959 and champion in 1960 and 1961; sectional champion for the past two seasons and runner-up in 1959; and second at 103 pounds at Champaign this year.

Ridings, who won 53 bouts, lost seven and drew one in two years of varsity competition, was conference heavyweight champion in 1960 and 1961; the titlist at Normal in 1960 and third in 1961; district champion in 1960 and 1961; and sectional runner-up in 1960 and champion in 1961.

Between them, the two accounted for 314 team points and 65 falls.

Highland VFW Drops From Inter-City Baseball Loop; Replacement Sought

The Southwestern Illinois Inter-City Baseball league is casting about for an entry which will break the loop up to full strength with 10 teams in two divisions.

With the announced withdrawal of Highland's VFW squad, member of the Blue division for the past two years, a replacement is being sought in order that league scheduling may be completed at the next I-C meeting on March 25 in East St. Louis, League President Vernon Lucas of Collinsville said.

Lack Financial Support
Harlan "Arky" Zobrist, VFW manager, said the Highland team was forced to drop out of the league due to lack of financial support. The VFW completed a 14 record in 1960, good enough for a third-place tie in the Blue division.

Another Inter-City club lost its sponsor in recent developments, but the franchise has been picked up by Moose Lodge No. 4 in East St. Louis, which takes over the East St. Louis squad, possibly asking Inter-City fans to make the selection by ballot. The loop will begin its 30th year of continuous operation this spring.

Howard Darrt, manager of the State Savings club, which won 12 and dropped 10 and finished third in the Red division during its first and only season, has been replaced by Glen Gutjahr. Most of the State Savings players are expected to be retained by the new sponsor.

Edwardsville Possibility
Lucas has indicated that he will try to interest Edwardsville in a new team. Edwardsville was represented by an Inter-City entry from 1932 to 1938, withdrawal of sponsors contributing to the current absence of an entry from the county seat.

However, Lucas said that other possible entries will be considered, and that he should be notified of their intentions before the next league meeting, which will be held at the Meador Class Co., 3801 St. Clair avenue, East St. Louis.

Three other managerial changes have been announced by Inter-City clubs. Don Hutton takes over as skipper of Troy's Redbirds, replacing his father, Charles Hutton, who managed the club for the past two seasons.

Former minor league player Albert Morris has been named as manager of the White City club, and Don Lucas will manage the Maryville Red Sox, replacing Jack Kettie.

Retaining their managerial positions are Ollie Miller of the Mercer Funeral Home squad, winners of the 1960 president's cup; Lyman Tucker of Granite City's second entry, the Sacred Heart; Oliver "Peck" Holmbeir of East St. Louis Metcalf Glass; and John Harrison of Collinsville McMechin Buick.

No manager has yet been named for the Carpenter entry, according to team sponsor Louis Franke.

Season Opens April 23
The 1961 Inter-City season will open on Sunday, April 23, provided a replacement for the VFW squad is selected, and will close on Sept. 10, Memorial Day. May 20, will be held as an open date, but games will be scheduled on July 4th and Labor Day.

The annual all-star game will be played at Troy on July 23.

Assumption Is 1st MHS Diamond Opponent

Hoping to improve on a 6-7 record compiled during the 1960 season, Madison high school's baseball squad kicks off a 13-game schedule on Tuesday, March 28, when the Trojans host Assumption high school of East St. Louis.

with Collinsville's Fletcher field as an alternate site in case of rain or wet grounds.

The league also is formulating plans to name an all-time, all-star squad, possibly asking Inter-City fans to make the selection by ballot. The loop will begin its 30th year of continuous operation this spring.

The newly-elected officers of the Officers Wives' Club of the Granite City Engineer's Club are, left to right, Mrs. Barbara Willets, president; Mrs. Peggy Goodspeed, treasurer; Mrs. Lucille Jeffrey, honorary president; Mrs. Ruth Heeger, vice-president; and Mrs. Fat Lundy, secretary.

Past Presidents Group Meets

Mrs. Grace Backs and Mrs. Julia Dudley were hostesses to the Past Chiefs' Association of the Pythian Sisters at a monthly meeting Tuesday at the Grand Cafe.

Luncheon was served at 12:30 to 15 members of the group and the afternoon was devoted to games with prizes going to Mrs. Nell Hutchison, Mrs. Ella McKittrick, Mrs. Fern Eggle and Mrs. Ida Crain.

Mrs. Hutchison, president, conducted the short business session and plans were made to meet in April at the home of Mrs. Christine Barron, 2143 Delmar avenue. Mrs. Daisy Cherry will be co-hostess.

RECEPTION FOR NEWLYWEDS AT HOME OF BROTHER

A reception for Mr. and Mrs. Larry Bailey, who were married Saturday at the home of Capt. Mildred Walker of the Salvation Army, was held in the home of the bridegroom's brother and sister-in-law, Mr. and Mrs. Von Rummel, 4119 Melrose avenue, instead of the Salvation Army church as was stated in Monday's issue of the Press-Record. The bride is the former Shirley Vaughn, of Madison.

Miss Bohnenstiehl Hostess For FAC

Miss Alice Bohnenstiehl, 2302 Adams street, entertained the FAC class of St. Peter Evangelical & Reformed Church at a monthly meeting in her home Monday evening.

Games were enjoyed and prizes were won by Mrs. Marie Whittle, Miss Thelma Woussenborn, Mrs. Thelma Markgraf, Mrs. Virginia McEster and Mrs. Esther Zimmer.

The hostess served refreshments, appointments for which were carried out in the green and white of St. Patrick's Day, and a shower of miscellaneous gifts was presented to Mrs. Whittle for her niece, Mrs. Jean Edwards of Bloomdale, Mo., the former Jean Corbey of this city whose home and contents were completely destroyed by fire recently.

The April meeting of the class will be with Mrs. Florence Hahler on Benton street.

HOSTESS TO BIRTHDAY CLUB

Mrs. George Sido, 2441 Iowa street, was hostess to the Birthday Club Monday evening. Awards went to Mrs. Arthur Lombardi, Mrs. Charles Rinarovich, Mrs. Oscar Loyd, Mrs. Joseph Nikola and Mrs. Jack Briskey.

Others present to whom the hostess served refreshments were Mrs. Frank Schwarzkopf, Mrs. Sophie Koesterer, Mrs. Oswald Becherer, Mrs. Joseph Parente and Mrs. Jack Pritchard. The next meeting will be with Mrs. Parente, 1621 Lindell Blvd.

RETURNING FOR VACATION

Miss Sandra Lierman, a senior at Northwestern University, will return home over the weekend to spend the spring vacation with her parents, Mr. and Mrs. W. J. Lierman, 2488 Watterman avenue. The Liermans will not or to Evanston and with their daughter will attend a wedding of a friend before making the return trip. Miss Lierman, who will graduate in June, has been doing practice teaching in the Evanston schools recently.

Plan 2 Eagle Courts of Honor, Dinner Each Year

A new plan, developed by the advancement committee and approved by the Cahokia Mount Boy Scout Council executive board, calls for two Eagle courts of honor each year, it was announced this week.

In addition to the two courts of honor, there will be a recognition banquet for all attaining Eagle scout rank during a calendar year.

A speaker is to be secured the yearly banquet, and each new Eagle is to attend with an outstanding citizen from the

field the boy has stressed in qualifying for the top rank. Each Eagle selects a vocation, profession or special field of interest in determining which merit awards to seek.

Next Eagle courts of honor will be June 12, 1961, and Jan. 16, 1962. A board of review was held last night, and additional reviews are planned for May 17, Sept. 6, Oct. 25 and Dec. 30.

Optimists Hear History Of General Steel Corp.

Thomas Kolesa, public relations director of General Steel Castings Corp., reviewed his firm's history in talk at the Twilight Optimist Club meeting at the Rose Bowl restaurant.

Originally known as Commonwealth Steel, the firm began operations in 1903 and gained success by inventing and producing one-piece castings for locomotive beds, which led to the development of other innovations in passenger and freight train manufacture, Kolesa explained.

The company had been successful in producing an entire locomotive body in one piece and developed a one-piece frame to house the wheels of train cars, he said.

In 1929, Commonwealth and a Pennsylvania casting firm merged and local company became known as General Steel Castings Corp.

The merger resulted in bringing out development of a one-piece flat car bed which was 70 feet in length and weighed more than 11,000 pounds.

Still engaged in the production of railroad orders, the firm, in addition, fills manufacturing orders of foreign railroad interests and has a subsidiary company, the St. Louis Car and Foundry Co., which makes subway cars.

Latest developments include manufacture of rollers used in steel mills and power turbine castings for electric generating.

The meeting was attended by 18 members. Accompanying Kolesa was Richard Lich, assistant vice-president of the castings company.

Signups Continue For Mitchell Water Service

A special center for handling advance deposits for families wanting to tap into the proposed Mitchell public water system will be in operation at the Mitchell fire hall this weekend, from 10 a.m. to 2 p.m. Saturday and from 10 a.m. until noon Sunday, according to a reminder issued this week by Leo Paul, chairman of the water district board of trustees.

More than half of the required 600 advance signers already have signed they will pay the \$35 (tap-on fee, which is expected to be increased to \$150 after the advance registration ends).

The estimated \$640,000 system is designed to serve the present population of about 3200 persons, or 890 families and the expanding areas surrounding Mitchell.

Paul said members of the board also are accepting the \$35 advance deposits at their homes. The trustees include Paul, Robert Weeks, Robert Franko, Albert Allen, Edward Durkin, Earl Phelps and James Lavelle. A similar system went into operation last year in the Pontoon Beach area.

The Mitchell district has arranged to sell a \$640,000 revenue bond issue to a Chicago bonding firm.

Jerry W. Thomason, 17, of 4381 Highway 162, was arrested Monday night by Granite City police who charged him with speeding. Thomason posted his driver's license as bond.

200 Attend Girl Scout Week Observance Dinner

More than 200 troop leaders in five neighborhoods in the Tri-Cities Girl Scout Council attended the "International pot luck Dinner" held in observance of Girl Scout Week on Monday at the Madison Recreation Center.

The five neighborhoods, comprising Venice, Madison, Granite City, Mitchell and Stallings troops, each presented a program based on international themes. Neighborhood One, of which Mrs. Mary Massman is chairman, presented an Irish skit, gave a talk on St. Patrick, led singing of Irish folk songs and gave a brief review of the customs.

Neighborhood Two, whose chairman is Mrs. Wilburn Hancock, prepared a program with a Mexican motif. Appropriate costumes were worn and the Mexican hat dance was performed by members. A huge hat, about five feet in diameter, was used.

Kiwanians Hear Talk By World Traveler

Harry Durkin of O'Fallon, a foreign consultant in heavy construction equipment operation and mechanics, talked on his travels in Southeast Asia during an inter-club meeting of the Granite City Kiwanis Club and the O'Fallon Kiwanis Monday at the Elks Club.

Narrating color slides depicting life in Thailand, Cambodia, Saigon, Bangkok and Hong Kong, Durkin said he recently returned from serving with General Electric Co. in construction projects.

He taught natives to operate and maintain diesel-powered machines. His job takes him to countries around the world. The local club heard Durkin in a similar talk at the inter-club meeting held at O'Fallon last month.

The O'Fallon club had 11 representatives at the Monday meeting, which 25 local members attended.

Representatives of the Granite City club attended another inter-club meeting at Alton Tuesday night to see a movie prepared by McDonnell Aircraft, of St. Louis, illustrating the space capsule which will be used in an attempt to put an astronaut on the moon.

Stookey Named To Post For SIU's New Campus

The appointment of Warren Stookey as field representative at Southern Illinois University's Southwestern Campus is being announced by President Delyte W. Morris.

Assigned to the area services division, Stookey will work half-time for the SIU Foundation. He will also work half-time for the SIU Alumni Association, whose membership in the Southwestern Illinois area is slated to increase this June by several hundred, according to Area Services Director William J. Tudor.

As an SIU graduate, Stookey has been active in alumni work presently working on the board of directors of the SIU Madison County Alumni Club.

For the past ten years he has been an executive for the Boy Scouts of America, from 1950-53 as field scout executive for the Egyptian Council in Herrin, and since 1953 for the Piasa Bird Council in Alton, first as a scout executive for one of the council's districts and for the past two years as assistant scout executive of the council.

Stookey is president of the Madison County Tuberculosis Association. A native of Belleville, he lives with his wife and two sons in Wood River.

Is Mayor Davis Responsible For Your Tax Bill Increase??

DON'T TAKE OUR WORD FOR IT!! LOOK AT THE FACTS!!

In previous ads, we quoted the PRESS-RECORD's story of how Davis "was personally pleased" by a half million dollar tax cut for Granite City Steel (July 13, 1959). Too, Davis failed to exercise any leadership in attempting to fight the \$135,000.00 railroad tax cut (Post-Dispatch, February 6, 1961). And further that this tax loss alone adds \$6.54 per thousand dollars of real estate value to each of the 9,000 homes in Granite City (multiply the value of your home by \$6.54 per thousand for your total increase).

And further the PRESS-RECORD in articles and editorials has attacked the recent "GOLD-PLATED" engineering contracts with excessive fees.

TO DATE MAYOR DAVIS HAS NOT ANSWERED THESE CHARGES!! AND HERE IS WHY — LOOK AT THE RECORD!!

Girl Scouts Here Observing 49th National Anniversary

Over 2000 registered Girl Scouts in the Tri-City Girl Scout Council area are observing the 49th birthday of the Girl Scout movement in this country this week.

Flag-raising ceremonies were conducted on Monday and Tuesday of this week after Girl Scouts had officially opened the observation of their organization's anniversary by attending church Sunday atired in official uniforms.

Window displays featuring nearly every facet of the program for girls have been erected at businesses in the area, and Girl Scouts in the Browne area group are conducting their annual cookie sale simultaneously with Girl Scout Week.

The 2100 registered Girl Scouts in the Tri-City area are directed by 321 registered adult leaders, who are all volunteers.

Patriotic Musical At GCHS Tonight, Friday

"Let Freedom Sing," an original patriotic musical combining the talents of the Granite City high school vocal and instrumental music departments, speech and art departments, will be presented at 8 o'clock tonight and again at the same hour Friday night in the GCHS auditorium.

Tickets for the presentation are priced at 75 cents for adults and 50 cents for students, and are available from vocal music department students or at the door the nights of the performance.

Warren G. Simpkins of the GCHS vocal music department, in charge of the production, said "In observance of the Civil War centennial, a great portion of the program will include the familiar and well-loved songs of both the North and the South."

The melodies which originated during the Revolutionary War, world war I and world war II will also be included, together with a number of patriotic songs which were written when this nation was not actively engaged in a major conflict.

Backbone of the production is a 125-voice chorus which will remain on stage during the entire production. Members of the chorus come from the GCHS advanced mixed chorus, cantando girls' glee club and boys' glee club.

The various periods surveyed by the musical will be tied together by narrative written by GCHS journalism instructor Miss June Clark. Narrator will be Wayne Hubbard, instructor in speech and English.

Supporting the chorus will be the GCHS concert band, an organ and two pianos. Director Louis Meek will lead the band in a medley of Civil War songs to open the program.

The patriotic theme will be carried out in red, white and blue scenery designed and constructed by art department director Eugene Alassi and art students. Other students who have "walk on" parts in the production will be attired in authentic costumes from various periods in this nation's history.

Vocal Students In Junior High Music Festival
More than 150 Granite City junior high school students are expected to take part in the annual Madison county junior high school music festival, Saturday, March 25, at Edwardsville. Total participation in the county will be 600 pupils.

Sponsored by the Madison County Vocal Music Educators' Association, the festival will include rehearsals during the afternoon and a concert at 7:30 p.m. Scene will be the Edwardsville junior high school, and admission will be free to elementary pupils and 50 cents to junior and senior high students and adults.

The Granite City district is to be represented by vocal students from the Coolidge, Prather and Central schools. No entries are planned from the Madison and Venice districts, it was announced.

Guest Director
Guest director at this year's concert will be Charles H. Webb Jr. of Indiana University, and the accompanist will be Mrs. Foster M. Poole.

A native of Dallas, Tex., Webb is a music instructor and manager of musical organizations at Indiana U. He is continuing his studies on the doctor of music degree in piano performance and literature.

Webb holds the bachelor of arts and master of music degrees from Southern Methodist University and was minister of music at the Oak Lawn Methodist Church in Dallas for five years. For seven summers, beginning in 1952, he was associated with the Fred Waring Music Workshop as choral conductor, piano soloist and accompanist.

He also has been active as part of the duo-piano team, and has conducted choral festivals and clinics in the midwest in recent years. In January 1961, he took a choral group from Indiana U. to perform for part of the inaugural ceremonies of President Kennedy.

Dr. Hiles To Replace Gibson On GC Board
Appointment of Dr. Claude Hiles to a five-year term on the Granite City Housing Authority board, starting April 1, was announced this week by Mayor Davis.

Dr. Hiles, a former Granite City school board member and local chiropractor, is to succeed Robert Gibson, who currently is chairman of the board and is completing his term.

Gibson also is chairman of the City Democratic Committee and president of the state Young Democrats organization.

Reimbursement Checks Sent To Local Schools

William R. L. Trimpe, county superintendent of schools, has sent reimbursement checks to Madison, Venice and Granite City schools for the lunch and special milk program, driver education program and the school share of the state distributive fund, it was announced this week at Edwardsville.

Amounts to be received and schools to which they go are as follows:
School lunch program — Madison Unit 12, \$957; Venice Unit 5, \$297; Granite City Unit 9, \$297.

Basic CD Course Will Be Offered To Granite Cityans

A course in "basic civil defense" will be offered to Granite Cityans starting March 28 by the Granite City Civil Defense staff. It was announced today by George W. Schumacher, local CD director.

An invitation is being extended to all Granite Cityans to take part in the 10-hour course which is to be presented in five two-hour sessions. It is hoped that local PTA organizations will participate.

Schumacher said, in urging attendance at the sessions, "We believe you will agree with us that a civil defense conscious public and civic leaders educated in basic civil defense are

night a week, will be conducted by instructors trained at Office of Civil Defense and Defense Mobilization staff colleges. Assistant CD Director Victor H. Koenig will serve as course-coordinator.

The sessions will begin at 7:30 p.m. Tuesday, March 28, and will be conducted on Tuesdays in the downtown civil defense building — the old fire station on 19th street between State street and Grand avenue.

Schumacher pointed out this is the first course of its type to be offered in Madison county and attendance by representatives of a number of county groups is anticipated.

He called attention to local participation in a national civil defense exercise to be held April 28-29, with the local community included in the target area. The local staff is to operate a control center from noon April 28 to 5 p.m. April 29. All local

CD units are to participate. Courses to be offered in the basic CD course are:

"The role of Civil Defense in national survival," to be taught by Assistant Director Koenig; "Civil Defense organization and general functions," Deputy Director Valerie A. Evenden; "Effects of nuclear weapons" and "Effects of conventional, chemical and biological weapons," Auxiliary Police Lt. John Becker.

"Principles of protection against nuclear warfare, conventional, chemical and biological warfare" and "Principles of individual and family protection," Auxiliary Police Lt. Howard Anderson; "Civil Defense in natural disasters," Deputy Director Theodore "Dodo" Off; "Emergency functions of individuals," Deputy Director Evenden, and "Emergency functions of government," Assistant Director Koenig.

Air Force Revises Prior Service Program

The United States Air Force has affected sweeping revisions in the prior service program. It was announced today by Major James W. Brown, local Air Force recruiter.

Veterans interested in obtaining additional information on the Air Force prior service program may contact Sgt. Brown at the city hall in Granite City any Thursday or by writing him at the 101-103 E. Broadway, Alton.

Veterans in specialty skills which the Air Force finds in short supply, although barred for the past year or more, and providing they meet other requirements, may now qualify.

Almost 3000 men with prior service will be accepted for enlistment during the present fiscal year (running through June 30), with a large number of these retaining the same grades held at the date of last discharge. Approximately 229 authorized. Veterans of other military services will receive the same consideration.

In addition to these revisions, prior service men may elect the base of their choice, travel by privately owned conveyance to their new assignment, and take up to thirty days leave prior to reporting.

SIU Preparing For Spring Registration March 27-28

Spring quarter registration for the more than 500 day, evening and Saturday classes offered by Southern Illinois University's Southern Illinois Campus will be March 27 and 28 at Alton and East St. Louis.

Seniors, juniors and sophomores will register Monday morning, March 27. That afternoon will be reserved for the registration of freshmen.

Unclassified students will register Tuesday morning, March 28, and graduate students may register during any of the periods scheduled.

Students interested in enrolling for evening or Saturday classes only may register in the regular periods or during special times running from 6 to 9 p.m. each of the two days.

Registrar John H. Schnabel urged students planning to enter the spring quarter to apply for admission as far in advance of the registration date as possible.

Dr. Schnabel pointed out that the registrar's offices in Alton, East St. Louis and Edwardsville will receive admission applications of new students, transfer students and former students not enrolled during the winter quarter.

Information about registration procedures, fees and classes offered may also be obtained at the registrar's office.

Guidance tests for students planning to enter Southern Illinois University in March will be given Monday and Tuesday, March 20 and 21 at the university centers in East St. Louis and Alton.

According to Dr. Howard V. Davis, director of student affairs for the Southern Illinois Campus, the tests are designed to assist faculty members in counseling students, sectioning English and mathematics classes and awarding scholarships.

Commencing at 9 a.m., and ending at 3 p.m., the tests will be given in Room 113 at the East St. Louis campus March 20 and in the gymnasium on the Alton campus March 21.

NEW 50-STAR FLAG being purchased by Mayor Leonard Davis in a sale by the Emerson school PTA at 19th street and Edison avenue. From left is Sue Cory, sixth grade student, and member of Girl Scout Troop 40, who holds new flag, and Sixth Grade Instructors Edward Gonia and Gerald Johnson. Gonia is president of the PTA. Sales are being held each Saturday at the downtown corner and at Bellemore Village Shopping Center. The 345-foot flags are being sold at \$5 and include a six-foot pole and holder that can be fastened to a porch or building. Proceeds will be used to finance a party to Springfield in June for the sixth grade class. The PTA hopes to sell 200 flags.

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

Let's call him Tom Jones. He's 52 years old, has a wife and three teen-age children, and until a few weeks ago was working on the highways for the State of Illinois.

Now he's unemployed, his wife is in the hospital and he cannot even qualify for unemployment compensation, since he worked for the state. And a man 52 has an extremely difficult time getting a job.

He was fired simply and solely because he was a Republican. Everyone admitted he was doing a good job.

Thousands of people in Illinois are going through this these days. If there were a Republican administration coming in and the Democrats going out, the same thing would be happening in reverse.

Both parties in Illinois accept the spoils system. Didn't Tom Jones know he would lose his job when the Democrats came in? Wasn't that taken for granted?

Yes, he knew it. But I don't believe there is a Democrat or a Republican in this state so heartless he can rejoice to see this man out of work and his family suffering.

Illinois has approximately 15,000 patronage jobs out of a total of 60,000 state employees. We are one of the worst (or best, depending on your viewpoint) of the states in the nation in this respect. By comparison, for example, the governor of Iowa has power over 35 jobs, in Wisconsin 26 jobs, California 60, and so you could go on. In Colorado, the governor does not even have the opportunity to appoint his own cabinet—which I frankly think is going too far.

Almost everyone agrees that policy-making positions should change with an administration. But when there are the wholesale changes like Illinois experiences, this is not healthy, for several reasons:

1. It saddles the governor with burdens he should not have to bear. Governor Otto Kerner—as any governor—is overloaded with work and should not have to worry about patronage too.

2. It gets people interested in politics for the wrong reasons. Politics in Illinois tends to be job-oriented, rather than issue-oriented, and this is responsible for some of our deficiencies as a state.

3. It is costly. I happen to be in business, and if every few years there were a turnover in employees far above the ordinary turnover, there always is. It would be expensive. It is also expensive for the state.

4. It results in people working for the state, not because they can do a job well, but because they can produce a certain number of votes. Obviously, this results in inefficiencies.

There are some hopeful signs. The climate has also changed, so that when Governor Kerner named two Republicans to top positions in the state, there was no huge outcry. He named Miss Maudie Myers as personnel director and Ralph R. Bartelsmeyer as the chief highway engineer. Both are eminently qualified and highly respected.

Another hopeful sign is to hear political leaders say privately: "Every political job means there is one ingrate and ten enemies." By that he means that the person getting the job usually feels it is owed to him, and the ten people who don't get the job are most unhappy.

In the meantime, the system continues. Among other places, it is reflected in your pocketbook a little emptier than it should be.

Pvt. Ballentine Training At Fort Riley, Kans.

Army Pvt. Harold W. Ballentine, son of Mr. and Mrs. Harold W. Ballentine, 1001 Third street, Madison, is receiving intensive unit training with the 1st Division's 2nd Battle Group, 8th Infantry at Fort Riley, Kan.

The training, conducted in the field under simulated combat conditions, is designed to train individuals to perform their assigned jobs in coordination with other members of their unit and to function as a team under the most trying conditions. The ball group and its personnel will depart for Korea in May.

Ballentine, a gunner in the Infantry's Company C, entered the Army in June 1950 and completed basic training at Fort Riley, Kan.

He attended Madison high school and was employed by Tri-City Grocery warehouse before entering the Army.

David Smetton Promoted To Specialist Four In Army

David L. Smetton, son of Mr. and Mrs. James M. Smetton, 1517 Clark avenue, was recently promoted to specialist four at Ft. Campbell, Ky., where he is a member of the 11th Artillery. He entered the Army in September 1959 and is a clerk.

A 1954 graduate of Granite City high school, he attended Central College, Fayette, Mo., and Southern Illinois University, Carbondale before entering the army.

2 GC Sailors Serving Aboard Carrier Midway

William W. Darnell, 41-year-old apprentice, USN, son of Sterling M. Darnell of 2134 Nevada avenue and Charles A. Smith, 32-year-old apprentice, USN, son of Mr. and Mrs. Cary A. Smith of 1326 Rhodes street, are serving aboard the attack aircraft carrier USS Midway operating with the Seventh Fleet in the Western Pacific.

During the seven-month cruise, the Midway is scheduled to visit Guam, Hong Kong, Japan, Okinawa, the Philippines and Pearl Harbor.

This is the carrier's third Western Pacific cruise since being recommissioned in 1957.

Dividends Must Be Listed When Filing Income Tax

Dividends received by taxpayers during 1960 must be reported on federal income tax returns, says G. Philip, district director of Internal Revenue, said today.

In addition to cash dividends, those received in merchandise or other property must be reported and are taxable at their fair market value. The name of the broker also must appear on the form.

The distributable share of dividends from partnerships, estates and trusts should also be listed.

Infant, Teenager Suffer Minor Injuries In Falls

An infant and a teenager were treated at St. Elizabeth Hospital Monday for injuries suffered in falls.

Dwight Mosley, 19-month-old son of Mr. and Mrs. Robert Mosley, 1208 Logan street, Madison, received two stitches to his cheek after he had fallen at home with a candy sucker in his hand at 6:10 p.m.

John Sliota, 16, son of Mr. and Mrs. Mike Sliota, 1028 Lower street, Madison, suffered a dislocated shoulder when he fell at 7:25 p.m. at home. X-rays were taken, revealing no broken bones.

Chevy gentles rough roads with a Jet-smooth ride

Bel Air Sport Coupe—one of 50 Jet-smooth beauties awaiting your pleasure at your Chevy dealer's

Presto! Chevrolet changes old roads to new! Does it with a ride so smooth, handling so sure and going so sweet that it's almost magic.

Chevy owes its Jet-smooth ride to some mighty ingenious engineering . . . things like Pull Coil suspension, precision balanced wheels, unique chassis cushioning and a superlatively insulated body by Fisher. Nor does Chevy's ingenuity stop with ride. Take performance, for instance. You've a choice of 24 power teams ranging all the way up to the mighty 348-cubic-inch Turbo-Thrust V8's with shift-free Turboglide transmission.

More ingenuity: When you check Jet-smooth Chevy prices with your dealer you'll discover that nothing so easy riding was ever so easy to own.

FELLOWSHIP MEETING

The Adult Training Union sponsored a surprise fellowship meeting following the service Sunday evening at the Pontoon Southern Baptist Chapel in honor of the birthdays of Mrs. Evelyn Knutt, Thomas Martin and Miss Shirley Roberts.

The evening was spent singing and refreshments were served to Mr. and Mrs. Paul Steyehar and children, Paul and Donna, James Flowers and children, Susan, Gary and Danny, Mr. and Mrs. Tom Austin and children, Mary, Carol, Rosetta and Tommy Jr., Mrs. Alma Keel and children, Betty, Elaine and Bobby, Della Leonard, Mr. and Mrs. Ralph Blevis and daughter, Maria, Mr. and Mrs. Otis Pittman and children, Dale, Diane and Steve, Mr. and Mrs. Charles Bryant and children, Howard and Charles Jr., Rev. and Mrs. Gus Falter and children, Becky, Glen and Greg, Mrs. Maxine Green and children, Tommy, Becky and Roybn, Mr. and Mrs. Thond Martin, Mrs. Ella Whitte and Alice Smith.

RETURN TO KENTUCKY

Morris C. Kennerly and Buster Kennerly of Murray, Ky., left Sunday after spending the weekend visiting Mr. and Mrs. Charles P. Kennerly at Mrs. Carrie Scarborough, Mr. and Mrs. Ede Kennerly, Mr. and Mrs. Joe Kennerly and children, Allen, Barbara and Kathie and Mr. and Mrs. Charles E. Kennerly and children, Charlene and Eddie.

Word has been received that Mr. and Mrs. John Stanfill of Memphis, Tenn., are the parents of a son born March 3 at St. Joseph Hospital in Memphis. The infant weighed seven pounds, eight ounces, and has been named Wesley Michael.

The Stanfills have six other children, four boys and two girls. The grandparents are Mr. and Mrs. Joseph Stanfill of Granite City. The John Stanfills are formerly of Granite City.

Special Meeting Set For Salvation Army

A special meeting of the Salvation Army advisory board will be held at noon next Thursday, March 23, at the headquarters to discuss the advisability of surveying for a capital drive.

The Salvation Army is considering construction of a new building to house all of its facilities, now located in three separate structures.

Capt. Mildred Walker, in announcing the meeting, said Ralph Little from the Burrill Corp. of Kansas City will be present to outline such a survey with the board members. The Salvation Army is a United Fund agency and was asked by the UP board to determine if a fund-campaign for a new building would be feasible.

Most Eligible Bachelor

Bill Evans, a son of Rev. and Mrs. Paul Evans, 1529 Clark avenue, is one of five freshmen at Simpson College in Indianola, Ia., to be named most eligible bachelors. Their selection, made at the annual Miniature Orpheum recently, was by vote of the students. Evans is a history and political science major.

OFFICERS OF TEACHERS' LOCAL 743 of the Granite City school district are pictured. Seated (left to right) are Mrs. Beulah F. Gideon, corresponding secretary; Mrs. Charlotte Price, recording secretary; Mrs. Genevieve Gideon, first vice-president. Standing (left to right) are Guy Lehr Jr., retiring president of the local and a national vice-president, John Lightenberg, national attorney of the teachers' federation, Robert Nelson, Local 743 president, and Lee Reid, second vice-president. Not shown is Joseph Honsh, treasurer.

John Obyrcki, 79, Dies; Retired Starch Foreman

John Obyrcki, 79, of 2021 Madison avenue died at 12:05 p.m. Tuesday at St. Elizabeth Hospital of a kidney ailment. Under medical care for the past month, he had been a patient at the hospital 25 days.

A native of Poland, he was a foreman in the mill house of the Union Starch & Refining Co. prior to retiring in 1946. He had worked at the plant for 40 years.

A Granite City resident for 56 years, Mr. Obyrcki was a member of St. Joseph's Catholic Church and the Polish National Alliance in Madison.

Surviving are his wife, Victoria; four daughters, Mrs. Mary Evans and Mrs. Anna Pierzycki, both of St. Louis, and Mrs. Harry (Sophia) Smith and Mrs. Walter (Amelia) Moss, Granite City; and four grandchildren.

Funeral arrangements are given in the obituary column.

Since his ordination at Eden Seminary in 1938 he has served as pastor of St. Paul's United Church of Christ in Napoleon, Mo.

Kiwanians To Buy Softball Equipment For Churches

The Mitchell Kiwanis Club voted Monday to furnish softball equipment to all Mitchell churches, and will make the purchase from proceeds of the pancake-sausage supper to be held April 15 at the Mitchell Parish Hall.

Tickets for the supper were distributed to members at the meeting held at Smith Cafe.

In other business, the club named Lee Barker to be representative of the group in future

meetings to set up plans and schedules for the Khourey League baseball season. Barker also will be in charge of organizing teams in Mitchell.

The Kiwanis, who last year sponsored two teams, will again support the junior size teams. One new member was accepted into the club. He was Roy H. Green, a pipefitter at Granite City Steel Co. Green, who will be inducted Monday, brings to 15 the number of members.

The meeting was attended by nine members, and President Thomas Smith presided.
